**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Honorable County Executive and
The Honorable Members of the County Council
Anne Arundel County, Maryland

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Anne Arundel County, Maryland (the County), as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated December 20, 2017. Our report includes a reference to other auditors who audited the financial statements of Tipton Airport Authority and the Anne Arundel Workforce Development Corporation as described in our report on the County's financial statements. The County's financial statements also include the Anne Arundel Community College, the Anne Arundel Board of Education and the Anne Arundel Economic Development Corporation which were separately audited by us. This report does not include the results of our and the other auditors' testing of internal controls over financial reporting or compliance and other matters for the Anne Arundel County Board of Education, Anne Arundel Community College, the Anne Arundel Economic Development Corporation, Tipton Airport Authority and Anne Arundel Workforce Development Corporation that are reported on separately by us and the other auditors. The Anne Arundel County Community College Foundation (which is included in the financial statements of the Anne Arundel Community College) was not audited in accordance with *Government Audit Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

The Honorable County Executive and
The Honorable Members of the County Council
Anne Arundel County, Maryland

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND
REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
REQUIRED BY THE UNIFORM GUIDANCE**

The Honorable County Executive
The Honorable Members of the County Council
Anne Arundel County, Maryland

Report on Compliance for Each Major Federal Program

We have audited Anne Arundel County, Maryland's (the County) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2017. The County's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

The County's basic financial statements include the operations of Anne Arundel County Board of Education, the Anne Arundel County Community College, the Anne Arundel Economic Development Corporation, Tipton Airport Authority, and the Anne Arundel Workforce Development Corporation that have been excluded from the accompanying schedule of expenditures of federal awards because these component units engaged other auditors to perform an audit in accordance with Title 2 U.S. Code of Federal Regulation for Federal Awards, where applicable.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal program.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

The Honorable County Executive and
The Honorable Members of the County Council
Anne Arundel County, Maryland

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2017-001, 2017-002, and 2017-003. Our opinion on each major federal program is not modified with respect to these matters.

The County's responses to the noncompliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The County's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employee, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified certain deficiencies in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as items 2017-001, 2017-002 and 2017-003, that we consider to be significant deficiencies.

The Honorable County Executive and
The Honorable Members of the County Council
Anne Arundel County, Maryland

The County's responses to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The County's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the result of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated December 20, 2017, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

CliftonLarsonAllen LLP

ANNE ARUNDEL COUNTY, MARYLAND
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2017

NOTE 1 BASIS OF PRESENTATION

The County reporting entity is defined in Note 1 to the County's basic financial statements. All federal awards received directly from federal agencies as well as federal awards passed through other State and local governmental agencies and nonprofit organizations are included in the accompanying schedule. The accompanying schedule is presented using the modified accrual basis of accounting as described in Note 1 to the County's basic financial statements. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in, the preparation of the basic financial statements.

Expenditures presented represent only the federally funded portions of the grant programs. Expenditure of federal award grant funds are made for the purposes specified by the grantor and are subject to certain restrictions. Expenditures are also subject to audit by the relevant federal agency. In the opinion of management, disallowed costs, if any, from such audits will not have a material effect on the Schedule or on the financial position of the County. Compliance testing of all applicable compliance requirements, as described in Title 2 U. S. Code of Federal Regulations Part 200, was performed for all major programs.

Federal awards, if any, of the Anne Arundel County Retirement and Pension System, the Anne Arundel Other Post Employment Plan Trust, the Anne Arundel County Board of Education, the Anne Arundel Community College, the Public Library of Annapolis and Anne Arundel County, the Anne Arundel Economic Development Corporation, Inc., the Tipton Airport Authority, and the Anne Arundel Workforce Development Corporation, component units, are not included in the schedule.

NOTE 2 FISCAL PERIOD AUDITED

Single audit testing procedures were performed for transactions occurring during the fiscal year ended June 30, 2017.

NOTE 3 CATEGORIZATION OF EXPENDITURES

The categorization of expenditures by program included in the Schedule of Expenditures of Federal Awards is based on the Catalog of Federal Domestic Assistance (CFDA). Changes in the categorization of expenditures occur based on revisions to the CFDA, which are issued in June and December of each year. In accordance with the County's policy, the Schedule of Expenditures of Federal Awards for the year ended June 30, 2017, reflects CFDA changes issued through June 2017.

ANNE ARUNDEL COUNTY, MARYLAND
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2017

NOTE 4 INDIRECT COSTS

The County did not elect to use the 10% de Minimis cost rate for indirect costs.

NOTE 5 NONCASH ASSISTANCE

The County receives food commodities from the Federal Government. During the year ended June 30, 2017, the fair market value of the commodities received was estimated at \$197,559 wholesale value. These commodities are delivered to the Anne Arundel County Food Bank, Inc., an independent organization, which is responsible for distributing the food to eligible County residents. This amount is not included in the Schedule of Expenditures of Federal Awards.

NOTE 6 REVOLVING LOAN PROGRAM

The County participates in the Environmental Protection Agency's Capitalization Grants for State Revolving Funds loan program (federal catalog number 66.458). The amount due to the State of Maryland under this program as of year ended June 30, 2016, was approximately \$57,272,236 and current year activity was a net decrease to the revolving loan program of approximately \$1,344,497 resulting in a balance due to the State of Maryland as of June 30, 2017 of approximately \$55,927,739.

NOTE 7 MARYLAND STATE DEPARTMENT OF HEALTH AND MENTAL HYGIENE

The Maryland State Department of Health and Mental Hygiene pays expenses for employee salaries and employee benefits for certain county programs. The County records these amounts on the Schedule of Expenditures of Federal Awards and in its basic financial statements to fully reflect the operations of these programs.

NOTE 8 DISASTER GRANTS – PUBLIC ASSISTANCE

Expenditures of \$1,634,370 reported for Disaster Grants – Public Assistance (CFDA #97.036) were incurred in a prior year. Due to the timing of the project worksheet approval, they have been included in the 2017 Schedule of Expenditures of Federal Awards.

JUNE 30, 2017**

Section II. – Financial Statement Findings

None were reported.

**ANNE ARUNDEL COUNTY, MARYLAND
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
JUNE 30, 2017**

Section III. – Federal Award Findings and Questioned Costs

Finding Reference: 2017-001
Federal Agency: U.S. Department of Health and Human Services
Federal Program: 93.104 – Substance Abuse and Mental Health Services Administration – Grant #1U79SM062450-01
Compliance Requirement: Subrecipient Monitoring
Type of Finding: Significant Deficiency, Non-compliance
Grant Year: 2017

Condition/Context

The County did not include all required information into subaward agreements. Neither of the 2 sub-awards tested contained the required information as noted below in 2 CFR part 200.331.

Criteria

2 CFR part 200.331 require that all pass-through entities must ensure that every sub-award is clearly identified to the subrecipient as a sub-award and includes the following information at the time of the sub-award and if any of these data elements change, include the changes in subsequent sub-award modification. When some of this information is not available, the pass-through entity must provide the best information available to describe the Federal award and sub-award. Required information includes: (1) Federal Award Identification (i) subrecipient name; (ii) subrecipient's unique entity identifier; (iii) Federal Award Identification Number (FAIN); (iv) Federal Award Date of award of award to the recipient by the Federal agency (v) sub-award period of performance start and end date; (vi) amount of Federal funds obligated by this action by the pass-through entity to the subrecipient; (vii) total amount of federal funds obligated to the subrecipient by the pass-through entity including the current obligations; (viii) total amount of the federal award committed to the subrecipient by the pass-through entity; (ix) federal award project description, as required to be responsive to the Federal Funding Accountability and Transparency Act (FFATA); (x) name of federal awarding agency, pass-through entity, and contact information for awarding official of the pass-through entity; (xi) CFDA number and name; (xii) identification of whether the award is R&D; and (xiii) indirect cost rate for the Federal award.

Cause

The County does not have effective controls in place to ensure sub-awards contain all required information.

Effect

The sub-awards did not contained all the required information. Therefore, it was not in compliance with 2 CFR 200.331(a).

Questioned Costs

None.

Recommendation

We recommend that the County review and enhance their current procedures for creating sub-award contracts to ensure all requirements found in 2 CFR section 200.331(a) are present.

ANNE ARUNDEL COUNTY, MARYLAND
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
JUNE 30, 2017

Views of the Responsible Officials and Corrective Action Plan

Management agrees to enhance current procedures over the creation of Federal sub-award contracts. The two sub-award contracts identified by the auditor will be amended to include the missing elements required by 2 CFR 200.331(a). All future sub-awards of Federal funds will be reviewed prior to execution to ensure all requirements found in 2 CFR section 200.331(a) are present in the language.

**ANNE ARUNDEL COUNTY, MARYLAND
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
JUNE 30, 2017**

Finding Reference: 2017-002
Federal Agency: U.S. Department of Health and Human Services
Federal Program: 93.044, .045, .053 – Aging Cluster – Grant #AAA-3-24-002
93.959 – Block Grant for Prevention and Treatment of Substance Abuse
– Grant #AS289OMP
Compliance Requirement: Allowable Costs
Type of Finding: Significant Deficiency, Non-Compliance
Grant Year: 2017

Condition/Context

The County was unable to provide complete supporting documentation for amounts charged to grants. 1 out of 18 of the Aging Cluster disbursements did not have adequate support for the entire amount charged to the grant. The County recorded a journal entry to the grant for \$2,900, of which \$45 was not supported by underlying documentation. Additionally, 1 out of 40 of the Block Grant for Prevention and Treatment of Substance Abuse disbursement did not have adequate support. The County miscalculated a mileage reimbursement resulting in an overcharge to the grant of \$28.19

Criteria

2 CFR part 200.62 require that a non-Federal entity must implement a process designed to provide reasonable assurance regarding the achievement of the following objectives for Federal awards: (a) transactions are properly recorded and accounted for, in order to: (1) permit the preparation of reliable financial statements and Federal reports; (2) maintain accountability over assets; and (3) demonstrate compliance with Federal statutes, regulations, and the terms and conditions of the Federal award; (b) transactions are executed in compliance with: (1) Federal statutes, regulations, and the terms and conditions of the Federal award that could have a direct and material effect on a Federal program; and (2) any other Federal statutes and regulations that are identified in the compliance supplement; and (c) funds, property, and other assets are safeguarded against loss from unauthorized use or disposition.

Cause

The County's supervisory review of supporting documentation was not adequate to ensure all supporting documentation was obtained.

Effect

The County could not support all amounts charged to the grant.

Questioned Costs

Not determined.

Recommendation

We recommend that the County review and enhance procedures for maintaining documentation of all Federal expenditures.

Views of the Responsible Officials and Corrective Action Plan

Management agrees to review and enhance procedures for obtaining and validating documentation of all Federal expenditures. Personnel involved in the two discrepancies noted by the auditor have been counseled and general training will be provide to all Federal grant handlers to assure they understand the Federal and County retention rules over obtaining and validating documentation of federal expenditures for audit purposes.

ANNE ARUNDEL COUNTY, MARYLAND
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
JUNE 30, 2017

Finding Reference: **2017-003**
Federal Agency: U.S. Department of Homeland Security and U.S. Department of Health and Human Services
Federal Program: 97.036 – Disaster Grants – Public Assistance – Grant #FEMA-4261-DR-MD
93.104 – Substance Abuse and Mental Health Services Administration – Grant #1U79SM062450-01
93.959 – Block Grant for Prevention and Treatment of Substance Abuse – Grant #AS213FED
Compliance Requirement: Reporting
Type of Finding: Significant Deficiency in Internal Control, Non-compliance
Grant Year: 2017

Condition/Context

The County's schedule of expenditures of federal awards did not accurately identify all FY 2017 federal expenditures as required by Uniform Guidance. The County did not include accurate program expenditures for three federal programs (97.036, 93.104, and 93.959). The final SEFA was corrected to include these program expenditures.

Criteria

2 CFR part 200.303 requires that non-Federal entities receiving Federal awards (i.e., auditee management) establish and maintain internal control designed to reasonably ensure compliance with Federal laws, regulations, and program compliance requirements. Internal Control-Integrated Framework, published by the Committee of Sponsoring Organizations of the Treadway Commission, provides a framework for organizations to design, implement, and evaluate control that will facilitate compliance with the requirements of Federal laws, regulations, and program compliance requirements.

In addition, 2 CFR Subpart D 200.302 (1) and 200.303 (a) stipulates that the auditee must identify, in its accounts, all Federal awards received and expended and the Federal programs under which they were received. Federal programs and award identification shall include, as applicable, the CFDA title and number, Federal award identification number and year, name of Federal agency, and name of the pass-through entity; establish and maintain effective internal control over Federal award that provides reasonable assurance that the auditee is managing Federal awards in compliance with Federal statutes, regulation, and the terms and conditions of the Federal award. These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Controller General of the United State and the "Internal Control Integrated Framework", issued by the Committee on Sponsoring Organizations of the Treadway Commission (COSO).

Cause

The County does not have effective internal controls in place for identifying and accruing program expenditures in enough time to allow proper reporting on the respective year's SEFA.

Effect

The SEFA contained incomplete expenditure amounts. Therefore, it was not in compliance with 2 CFR Subpart D 200.302 (1) and 200.303 (a). The County's program expenditures may be disallowed if the expenditures are not reported within the allowable period of availability.

ANNE ARUNDEL COUNTY, MARYLAND
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
JUNE 30, 2017

Questioned Costs

None.

Recommendation

We recommend that the County review current procedures for creating the SEFA to ensure that all federal programs and related expenditures incurred and/or paid during the audit period are properly identified.

Views of the Responsible Officials and Corrective Action Plan

Management agrees to review the current procedures for creating the SEFA to ensure all Federal program expenditures are included on the SEFA. Existing procedures will be amended to ensure all Federal programs and related expenditures incurred or paid during the audit period are properly identified and included. Grant managers will be trained to ensure those procedures are properly followed to ensure creation of an accurate SEFA.
