Mobile Home Space Application

Dear Mobile Home Property Owner:

Article 11 of the Anne Arundel County Code requires an annual Mobile Manufactured Home Space Permit for each home not located within a mobile home park. The annual space permit fee is \$100 and is due during January of each year. Please complete the annual registration form at the bottom of this page and return it to this office with the license fee by January 31st. Make your check or money order payable to 'Anne Arundel County'.

Please complete the registration form neatly. The space permit license will be mailed to you after your application has been processed. If you have any questions, you may call our license desk at 410-222-7788. Thank you for your continued cooperation in this matter. Please note - if you make additions to or replace the existing mobile home with a newer one, a building permit is required. Permit applications and information are available from the Permit Application Center at 410-222-7730 or on-line at www.aacounty.org.

Sincerely yours,
