Public Input Requested for MD 214 Corridor Study
Contract No. H539614

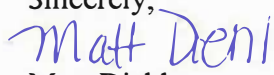

Dear Resident:

Anne Arundel County Department of Public Works (DPW) and the Office of Transportation (OT), in coordination with the Office of Planning and Zoning (OPZ) and the Department of Inspections and Permits (I&P), has developed a planning-level study and is seeking input from the community on potential improvements to MD 214 (Central Avenue) between MD 468 (Muddy Creek Road) and its eastern terminus, near Oakford Avenue.

DPW and OT are requesting that residents review the study report and associated documents on the DPW website: [http://www.aacounty.org/departments/public-works/engineering/Capital Projects/TFP---md-214-corridor-planning-study](http://www.aacounty.org/departments/public-works/engineering/Capital%20Projects/TFP---MD-214-Corridor-Planning-Study) and comment on the study within the next 30 days. Residents may comment electronically (see email address below) or mail comments to:
