This meeting is being held to discuss the project planned to improve the curvature of Carvel Lane/Triton Beach Road, provide improved and safer parking for park patrons along with eliminating conflicts between traffic and park visitors, provide additional amenities at the park including a lake fishing pier, trail improvements, a bathroom / park office with rinse stations, cartop launch assistance, and a children's play space. Construction is anticipated to begin in Winter 2022 and be complete by Winter/Spring 2022. Work is expected to take place during normal work hours Monday through Friday. You may see and hear construction vehicles and equipment in the area. You should expect temporary lane closures during work hours; park closure will be necessary due to the lack of visitor parking.

DPW and Recreation and Parks officials will present information on the proposed construction, and will also answer questions from those in attendance. Please note this meeting will be audio and video recorded.
