Re: The Department of Public Works
Rights of Way Management
2020 Holiday Work Policy

The Holiday Work Policy for activity authorized by a Right of Permit or Utility Infrastructure Maintenance Permit is as follows:

- 1) Work shall not be performed within County rights of ways on County holidays, unless otherwise approved by DPW.
- 2) In order to promote the efficient movement of vehicles across our road network, work that impedes traffic on an arterial roadway is not allowed on the day or the weekend immediately preceding and following Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, or New Year's Day unless otherwise authorized by the Department.

Please pass this information on to your work crews and contractors.

Should you have any questions or comments regarding this matter, please contact the Rights of Way office at 410-222-7344.

Sincerely,
