

Storm Drain Marking: Sponsor Project Agreement

I am authorized to act on behalf of _____ (sponsoring individual/organization, hereinafter referred to as the "sponsor"). I have carefully read and understand the instructions and safety precautions. In consideration of the sponsor's participation in the project, I hereby acknowledge and assume the following responsibilities:

1. Participants in the project are solely under the supervision of the sponsor.
2. The sponsor will insure that all participants are adequately supervised.
3. Waivers of liability will be signed for each participant and returned to Anne Arundel County prior to commencement of the project. A virtual waiver of liability is available on our Bureau's Storm Drain Marking Program webpage.
4. The sponsor will determine that the participants are responsible individuals. Participants are required to comply with safety instructions and marking directions, and will use due care and caution while participating in the project.
5. [Anne Arundel County](#) will provide marking kits with materials and instructions. The sponsor will ensure the materials will be used only as intended and agrees to return the kit and unused supplies when done.
6. The sponsor will consult with [Anne Arundel County](#) in the selection of project sites.
7. If neighbors object to the project, the sponsor will accept their request not to place markers in front of the home.
8. The sponsor will carry this agreement with him/her during the project.
