

Appeal of the Stormwater Remediation Fee
Mathematical Error or Incorrect Impervious Calculation

Return to:
WPRF Appeals
Anne Arundel Co DPW
2662 Riva Road
MS 7310
Annapolis, MD 21401

This form can be only used for nonresidential, multifamily residential property, or properties for which the property owner believes a mathematical error has been made in the fee calculation, or that there is an error in the calculation of impervious surface area.

Form with fields for: Last name, First name, Property address, Tax Account number, Telephone number, Mailing address, if different.

I/we are appealing the imposition of a stormwater remediation fee for the following reason(s). Check all that apply and supply information and documentation as indicated.

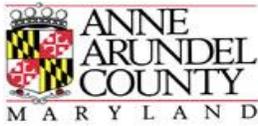

Mathematical error in the calculation of the stormwater fee. Please provide a detailed explanation of the error in the calculation of the fee:

Incorrect calculation of the impervious surface of the property. Please provide a detailed explanation supporting this appeal. Include any documentation showing the impervious surface, such as plans and reports prepared by a registered professional engineer or professional land surveyor, or delineation of impervious surfaces using the County's GIS mapping tool (http://gis-world2.aacounty.org/silverlightviewer/?Viewer=Stormwater).

Please sign the following statement:

I/we, the undersigned do hereby declare under the penalties of perjury that the information provided on and with this application is, to the best of my/our knowledge and belief, true, correct, and complete. I/we also understand that the failure to provide all information and/or documentation as required is a basis for a denial of the appeal. I/we understand that by filing this appeal, we are authorizing the Department of Public Works to confirm the information provided with this application, including, but not limited to, inspecting the property. I/we understand that if the Department of Public Works grants the appeal and it results in a change in the stormwater remediation fee, I/we will be issued a new bill. I/we understand that if I/we are aggrieved by the decision of the Department of Public Works, I/we shall pay the stormwater remediation fee, may request a refund and if that is denied, may appeal to the Maryland Tax Court in accordance with Article 24, § 9-710 and 9-712 of the Annotated Code of Maryland.

## **Appeal of the Stormwater Remediation Fee Mathematical Error or Incorrect Impervious Calculation**

---

<sup>1</sup> Nonresidential property is defined as real property located in a commercial, industrial, maritime, mixed use, Odenton Growth management area, open space, town center, or small business zoning district as shown on the Anne Arundel County Digital Zoning layer adopted in accordance with § 18-2-106 of the County Code, and includes real property in those zoning districts improved by an attached dwelling or a detached single family dwelling. Nonresidential property also includes real property located in a residential zoning district as shown on the Anne Arundel County Digital Zoning layer adopted in accordance with § 18-2-106 of the County Code with a use other than a dwelling; real property owned by not-for-profit entities such as Homeowner's Associations, fraternal organizations, religious groups or organizations, healthcare facilities, and other real property devoted to non-governmental charitable, or institutional uses; and real property located partially in a residential zoning district and partially in any district other than a residential zoning district.

<sup>2</sup> Multifamily residential property is a property with three or more dwelling units, except for townhomes.
