Students with physical limitations should consult the instructor prior to class. Work at your own pace. Swimming is not required for shallow water classes		

**Check the fitness level! Low =☺ Medium =☺☺ High= ☺☺☺**

**Aqua Yoga** ☺ Low-impact beginner in-water yoga with rhythmic breathing to increase static balance, strength, and increase flexibility. (85 degrees)

**Aquacise** ☺ Water exercise program conducted in warm water to improve flexibility, mobility, range of motion, and boost stamina. (85 degrees)

**Aqua Tone** ☺ Low intensity class designed to use water resistance to increase endurance, flexibility, and tone muscles. This class is beneficial for beginners and those returning to exercise after a long period of inactivity.

**Aqua Fit** ☺☺ to ☺☺☺ Medium to high intensity shallow water exercises using water and equipment for resistance to increase cardiovascular endurance and tone muscles.

**Aqua Blast** ☺☺ to ☺☺☺ Try this challenging and fun medium to high-intensity water workout. This class includes explosive cardiovascular conditioning, upper and lower body toning along with some soothing stretches. Similar to our traditional water fitness classes, but ramped up a bit.
