ADDITIONAL CHILD CARE ACHIEVEMENTS

The Anne Arundel County Department of Recreation and Parks is very pleased to announce that our Center Directors and Child Care Administrative Office staff have worked very hard over the past several years to provide even higher quality child care in our school-age center locations. This has resulted in the recognition of the Maryland EXCELS program.

MARYLAND EXCELS

We are pleased to share with you that all SACC & MSTG programs (with the exception of our newest sites) have achieved a Maryland EXCELS certificate from the Maryland State Department of Education (MSDE). Maryland EXCELS is the state’s Quality Rating and Improvement System that awards ratings to child care programs that meet increasingly higher standards in key areas that are identified nationally as contributing to high quality.

Through a process of continuous quality improvement, Maryland EXCELS programs like ours meet rigorous quality standards over and above those required by State licensing regulations. The Maryland EXCELS standards include Licensing and Compliance, Staffing and Professional Development, Rating Scales and Accreditation, Developmentally Appropriate Learning and Practice, and Administrative Policies and Practices.

We are pleased you have chosen our program for your child and we invite you to see how choosing high quality care and education makes a difference by visiting the Maryland EXCELS website at www.MarylandExcels.org. There you can view our program’s rating and learn about the importance of choosing quality for your child’s success in school and in life.

ADDITIONAL BADGES

We are also very proud to announce our achievement of additional badges for our SACC/MSTG programs:

- Asthma-Friendly Child Care Badge (indicates our staff have received additional advanced Asthma training, that they work to reduce asthma triggers in their center environments, and they provide asthma education for students)
- Health & Wellness Badge (indicates our centers participate in the Let’s Move! Child Care program – you can check out their website at www.healthkidshealthyfuture.org)

OUR GOALS FOR THE FUTURE

The Anne Arundel County Department of Recreation and Parks has more wonderful goals for the future of the School Age Child Care programs, such as:

- Providing care in low-income areas such as Title I locations, like our newest Child Enrichment Centers
- Maintaining our Maryland EXCELS Check Level status, which requires continual professional development for our centers and staff
- Continuing the process of achieving Maryland EXCELS recognition for our newest programs
- Achieving additional badges, such as: Cultural & Linguistic Competency and Eco-Friendly Child Care

We are so pleased to serve you and your family! If you have any comments, concerns or suggestions for our programs, please email us at sacc@aacounty.org, inform your Center Director, or feel free to contact our Child Care Administrative Office to speak with one of our Child Care Program Specialists at 410-222-7856, ext. 0.

separate entity within the school building; therefore, the school does not typically share this information with our staff. It is the parents’ responsibility to provide this information to our staff.

- SACC/MSTG staff must release a child to his/her natural parent unless custody papers are on file stating otherwise.
- Once the custody papers are on file, staff must follow those orders, until either the order has expired or new papers are on file. Staff cannot accept verbal notification of changes. Any and all changes MUST be submitted in writing and signed.

**WAIT LIST**
- Some of our locations may have a wait list prior to and/or during the school year. When an opening occurs the Child Care Administrative Office will contact the next person on the wait list and determine whether or not that person still needs the program.

**DROP-IN LOCATIONS (offered at some elementary school locations)**
- As a service to families already registered in the SACC/MSTG program, elementary school locations that have both an AM and PM program and the space/staff available, may allow drop-ins.
- If your child is already enrolled in our AM OR PM program, and you need to utilize the opposite program for the day (for example, your child is enrolled in the PM program only but you have a work meeting in the morning and need AM care for just one day) you may submit a request for Drop-In service in advance via email to sacc@aacounty.org.
- You must complete the Drop-In Request at least two (2) business days in advance (but no more than two weeks in advance) of the date you are requesting, to allow time for processing. The Drop-In Request is subject to the approval of the Child Care Administrative Office.
- Once your request has been approved, the Child Care Administrative Office will notify you.

**WITHDRAWAL FROM SCHOOL YEAR PROGRAM**
- We recognize that a family’s needs may change during the course of the school year. We require written notification to the Child Care Administrative Office that you will be withdrawing your child from the program.
- If you no longer require child care services, please visit our website at http://www.aacounty.org/RecParks > Child Care to submit a Withdrawal Form. You must log in to your account and select the “Manage Your Account” tab to access the link to the Withdrawal Form.
- If you have already made payment and are requesting a refund the following must be adhered to:
  - If payment was made with a credit/debit card, your refund will be credited to the card used for payment.
  - If your payment was made with a check, money order, or cash, your refund will be a check mailed directly to you from the Anne Arundel County Office of Finance.

**SUMMER**
- The Department of Recreation and Parks also offers a wide variety of summer program options at selected elementary schools, middle schools, and recreation center locations. Locations and dates of operation are determined on an annual basis.
- A separate registration for the summer program is required. Information regarding the summer programs is typically distributed through the centers and schools, and to registered school year parents via email, starting in January.
- A separate Summer Parent’s Manual & site-specific Packet that contains information that is unique to Summer Programs will be distributed to all parents on/before the first day of summer.

BASIC PROGRAM COMPONENTS & CURRENT COVID-19 RESTRICTIONS
- The program welcomes children of all abilities, and strives to reflect the interests, primary language and cultural backgrounds of the children in our care.
• The program will include opportunities for individual and group participation while providing a balance between self-selected and staff-directed activities. All SACC/MSTG programs are licensed child care centers through the Maryland State Department of Education’s Office of Child Care (MSDE-OCC). We are proud to offer a variety of enriching opportunities that reflect our philosophy of “Education Through Recreation”.

• Programming for the 2021-2022 School Year will continue to look quite different than in years past for the safety & protection of your child, and to meet the current requirements in place by Federal, State and/or Local officials. The current requirements at the time of the completion of this manual are as follows:

  - Please be aware that SACC/MSTG is not considered a tutoring program.

    - The Take 25 Campaign encourages parents, guardians, educators and others to take 25 minutes to talk to children about safety.
  - **Special Events/Speakers**

- **Family Communication & Participation Opportunities**
  - Due to current COVID-19 restrictions, all parent orientations, events and conferences will be conducted virtually until further notice.
  - **December/January Annual Parent Survey** – We highly encourage parents to complete our Annual Survey upon receipt. These are carefully reviewed each and every year, and utilized to make program improvements!
  - **Parent Events** planned by the Center Director at each center
  - **Monthly Parent Newsletter** sent to the e-mail address on file
  - **Parent Information Center** available at every center
  - **Parent Conferences** – Center Directors (and/or the Child Care Administrative Office) will contact you if they feel there is an immediate need for a parent conference. Otherwise, Center Directors will also present an opportunity twice a year for parents to choose to sign up for a conference to chat about their child with the Center Director. The sign-up sheet will be made available in your center’s Parent Information Center in November and March.
  - Parents are always welcome to share their comments, concerns, send congratulations, or request a conference by speaking with your Center Director, via our e-mail address at sacc@aacounty.org, or by contacting the Child Care Administrative Office.

- **SACC/MSTG Child Personal Property Policy**
  - Children are not permitted to bring/utilize toys, games, collectible cards, electronics, CD’s, CD players, Game Boys, Tablets, I-Pods, MP3 Players, etc. from home to the center.
  - On special occasions, your child’s individual center may utilize a **Toy From Home Permission Slip** in order for your child to bring a special toy. The form must be completed in advance for your child to participate.
  - The SACC/MSTG program is not responsible for money, cell phones, or other personal items your child may bring to the program.
  - Children may not use, activate, or display their cell phone, smart watch/device, or similar electronic devices during SACC/MSTG hours.
• **SACC/MSTG School Club Policy**
  o The children will only be allowed to participate in other programs offered at the school with a completed *Parental Permission for Children Participating in School Clubs* form on file at the center. This includes programs such as scouts, sports and enrichment activities that meet during the normal operating hours of the child care program.

• **SACC/MSTG Pet Policy**
  o You may not bring your family pet to visit the center.
  o Some centers have implemented a “SACC/MSTG Pet” *(typically fish)* as part of their Science Station at the center and/or may schedule an enrichment – such as ZooMobile – that includes animals. If your child has pet allergies, please alert the center staff so we may take the appropriate precautions.

• **SACC/MSTG Facility Policy**
  o All SACC/MSTG locations utilize school buildings. Therefore, we must abide by Anne Arundel County Public Schools’ policies.
  o Please be aware there is no smoking allowed on school grounds or in/around the child care centers.
  o Please also be aware that many AACPS buildings have recording devices in/around school grounds for safety monitoring purposes. This means that you/your children may be monitored during the program and when picking up/dropping off at SACC/MSTG locations.

• **Student Attire**
  • The SACC/MSTG programs observe and heed the Student Attire policy listed within the Student Code of Conduct for Anne Arundel County Public Schools:
    o “Students are to dress in clothes that promote a safe and respectful learning environment. Clothes that create a disruptive environment or cause a health or safety hazard are not appropriate and not acceptable at school.”
    o “Headwear: Only for health, safety or religious reasons”
    o “Shoes: No bare feet”
    o “Clothing:
      ▪ Cannot show profanity, obscenity, violence or symbols of hate
      ▪ Cannot promote alcohol, tobacco or drugs
      ▪ Cannot promote gang colors or gang-related signs
      ▪ Cannot show underwear
      ▪ Cannot show bare skin between upper chest and mid-thigh”
  • Further, the SACC/MSTG programs are recreationally-oriented and require shoes secured at the heel in order to participate in organized gym/outdoor games, and on the playground equipment. (Preferred Attire = Pants/Shorts & Sneakers)
  • Children must also be appropriately dressed for the weather. Maryland child care regulations require child care facilities to utilize outdoor play areas even during colder weather. Your child must be sent with a coat, hat and gloves as necessary.
  • If, in the opinion of the Center Director or designee, the child is not appropriately attired, the parent/guardian will be notified. *Please be aware that your child’s attire may limit their participation in certain activities (i.e. gym/outdoor time).*

**SIGN IN/SIGN OUT**
• Parents must sign their child in for the morning program and out at the time of pick up each evening.
  o For your child’s safety, children are NOT permitted to sign themselves in and out of the program for any reason.
  o The following COVID-19 restrictions are currently in place:
    • Parents & children are required to wear a mask upon arrival & at pick-up time. IF your center’s drop-off/pick-up area is located outside of the building, fully vaccinated parents are not required to wear a mask while outside.
• Parents are not able to enter the child care space in each facility.
• IF the facility has a small lobby area, parents will complete sign-in/out procedures there.
• IF the facility does NOT have a small lobby area, curbside sign-in/out procedures will be developed for your location.
• Parents will be notified by newsletter prior to the start of the program with the specific arrival/dismissal procedures at your child’s center.
• Child Health Screenings – Parents must screen their children prior to entry into the child care programs. Any COVID exposures or symptoms must be reported to your Center Director or our Child Care Administrative Office. If you can answer YES to any of the below questions, your child(ren) are unable to attend the program.
  • Does your child (or anyone in your household) have ANY of the following symptoms: fever of 100.4 or higher, sore throat, cough, difficulty breathing, diarrhea or vomiting, new onset severe headache (especially with fever), or new loss of taste or smell?
  • Is your child (or anyone in your household) waiting for a COVID-19 test result OR been diagnosed with COVID-19 and has not yet been released from isolation?
  • In the past 14 days, has your child (or anyone in your household) had close contact (within 6 feet for a total of 15 minutes or more) with: anyone diagnosed with COVID-19 OR suspected of having COVID-19 and not completed quarantine?
  • Has your child traveled outside of the country since they were last in child care?
• Each parent is required to sign in & out daily. This is a legal record and must be completed. We suggest that you bring your own pen to do so. If you do not, a pen will be provided for you. Staff will sanitize between each use.

• Children will be released only to the individuals (13 years and older) authorized to pick up the child.
  o No child will be released to a person other than the authorized individual without prior written permission from the child’s parent or guardian. This policy must be strictly adhered to for the protection and safety of your child.
  o Please be advised that any person unknown to the staff will be asked to provide a photo ID before your child is released to their care.
• Notify the SACC staff of any changes in pick up schedules.
• SACC staff will not accept children into the program in the morning if the building is inaccessible, utilities not available, etc. Parents may be requested to stay with their child until building access status is determined.
• Please make sure that the information on your Emergency Form is kept current.

ATTENDANCE
The Center Director at each SACC/MSTG location is responsible for maintaining an accurate attendance record for the children. We need your assistance in this endeavor!

• ILLNESS: MSDE-OCF regulations mandate that children who are absent from the program due to illness for three (3) days or more must have a written statement from a parent or physician that the child may return to a regular schedule. A copy of the note sent to the school is sufficient.

• MORNING ATTENDANCE: During the morning program, it is not necessary to contact the center staff on a daily basis to report if they are not attending the program.
  o It is your child’s responsibility to walk from the child care space to their classroom each morning when the dismissal bell rings.

• AFTERNOON ATTENDANCE: During the afternoon program, knowledge of your child’s whereabouts is crucial.
  o Please assist us by informing the center staff of the occasions that your child will not be attending their regular afternoon program. You may leave a voicemail at the center phone number (the center staff checks voicemail when they arrive each day to prepare the afternoon program). Please do not rely upon a note to your child’s teacher to inform SACC/MSTG of an afternoon absence. Due to the fact that the SACC/MSTG programs operate as a separate entity within the school building, the note may never reach our staff.
o It is your child’s responsibility to walk to the child care space each day when the dismissal bell rings. It is crucial that parents communicate with their child’s teacher (i.e. send a note) when your child begins attending SACC/MSTG in the afternoons so that the teacher does not place them in the bus line.

o MSTG students must report to the program to sign in before going to any school program or other activity.

o Please also be aware that the center staff must follow the dismissal procedures their individual school has in place.

o If a child does not report to SACC/MSTG, attempts will be made through the school office to see if the child attended school that day, was dismissed early or is attending another after school activity.

o If the absence from the program is unexplained, an effort will be made to contact the parents or the specified adult(s) listed on the Emergency Form.

o If you do not respond to our calls, the school office will be contacted and we will follow our emergency plan in conjunction with the school. Please be aware that this may necessitate contacting 911 in order to locate your child.

o If your child is suspended from school, he/she may not attend SACC/MSTG.

- Please make sure that the information on your child’s Emergency Form is kept current. This is the contact information we will be using to report a concern or emergency to you, so it is crucial that the phone numbers are up-to-date.

- The Parental Permission Slip for Children Participating in School Clubs and/or a Parental Permission Slip for Assisting/Receiving Assistance From Teachers (available at the center) must be completed if your child will be attending a regularly scheduled activity such as scouts, gymnastics, etc., or if your child will be assisting/receiving assistance from a teacher during SACC/MSTG hours, which will cause their absence from the SACC/MSTG program.
  
  o The activity sponsor/teacher is responsible for accompanying your child to the location where SACC/MSTG is currently meeting at the end of the activity and signing your child back into the SACC/MSTG program. Staff will notify the parent if this is not occurring and the parent must address this with the activity sponsor/teacher. If this continues to be a concern, your child will no longer be able to participate in the school club or with the teacher.

  o MSTG students are expected to report directly to the program upon the conclusion of their after school activity.

**LATE PICK-UP OF CHILDREN**

- All centers close promptly at 6:00 PM.

- The center/school clock is the official time.
  
  - A late pick up fee will be assessed at the rate of $3.00 for every minute after 6:00 PM.
  
  - The staff person on duty will have the individual picking up the child sign a Late Pick Up form.
  
  - That form will be submitted to the Child Care Administrative Office and you will be billed from the office on the following monthly billing statement.
  
  - Center staff is not permitted to accept late pick up fees.

- Recurring lateness offenses in one school year will result in suspension/dismissal from the program. You will be notified by the center staff/supervisor if your next late pick up will result in the suspension of your child. If your child is suspended, the suspension will take place the next day that school is in session for students. Therefore, please make other emergency arrangements in the event you will be delayed.

- You are still responsible for the late pick up charges if you arrive after 6:00 PM and you called the center to inform them that you would be late.

- If your child is not picked up by 6:30 PM the staff will contact the appropriate agency that will then take the required action.

- See Inclement Weather and Emergency Closings section for further information regarding Late Pick-Up fees/consequences in those situations.
TRAVEL POLICY

- Any child who travels internationally (out of the country) may not attend child care until one of the following has occurred: 1) Your child tests negative for COVID-19 upon their return to the State of Maryland (at this time, rapid test results are not accepted by OCC/the Health Dept due to their inaccuracy), or 2) Your child must quarantine at home for 10 days before rejoining care.
- This policy no longer applies to travel between other states in the United States of America.
- Families are eligible to receive a credit to their account for days missed from care while awaiting the results of their COVID-19 test. In order to receive the credit, you must complete the following steps:
  - Alert the center staff of any upcoming out-of-state or international travel prior to the absence.
  - Immediately upon your child’s return from their trip, an email must be sent to sacc@aaccounty.org with your child(ren)’s name(s), dates missed, center location, and a copy of your child(ren)’s COVID-19 test results (when received). You must receive clearance from the Child Care Administrative Office before your child can return to care.
  - If these steps are followed, days can be credited from the date of the test through the date you received the results. (Parents who do not make us aware of the travel at the time of the trip will not be credited after the fact.)

TRANSPORTATION

- Under no circumstances is staff permitted to provide transportation to or from a program for unrelated participants.
- Parents need to make alternative arrangements in the event they will not be able to pick up their child.
- Recreation & Parks’ Child Care Division does NOT provide transportation to/from the program. Parents must work with the school to request permission for outside transportation. Once permission is received from Anne Arundel County Public Schools for other forms of transportation to pick up or drop off at the school (i.e. bus, car, van, etc.), then the Child Care Administrative Office must be contacted for an additional form of approval through the Anne Arundel County Department of Recreation and Parks.

SCHOOL CALENDAR

- Due to the fact that we utilize space in the school buildings, the SACC/MSTG programs follow the school calendar for openings and closures. Visit the Anne Arundel County Board of Education’s website for the most up-to-date school calendar: www.aacps.org.
- SCHEDULED LATE ARRIVAL DAYS: The Anne Arundel County Public Schools schedule several days each year for the late arrival of students into the school calendar. On these days the SACC program will be open from 7:00 AM to the start of the school day, as normal. There will be no additional fee for this service.
- SCHEDULED EARLY DISMISSAL DAYS: The Anne Arundel County Public Schools schedule several days each year for early dismissal for students into the school calendar. On these days the SACC/MSTG program will be open from the end of the school day (early dismissal time) until 6:00 PM. There will be no additional fee for this service.
- SCHEDULED SCHOOL HOLIDAYS: There will be NO state-licensed SACC or MSTG programs available on school holidays.
  - However, please be aware that the Anne Arundel County Department of Recreation and Parks will offer some recreational programs titled “School Break Fun Days” at limited locations throughout the county during the school year. These programs are open to all children in Kindergarten through Eighth Grade.
  - The online Department of Recreation & Parks Program Guide will share registration information with you during the school year in regard to the fees, dates, times, locations, and registration process for these additional care opportunities offered through our Department.
  - Please be aware that any changes to the “School Break Fun Days” offered due to inclement weather will be noted on the main page of the Rec & Parks website at www.aacounty.org/recparks.

INCLEMENT WEATHER AND EMERGENCY CLOSINGS

- Anne Arundel County Department of Recreation and Parks SACC and MSTG programs follow the policies and schedule of the Anne Arundel County Public School System.
Please tune to local radio stations if you have a question about the closing or opening of schools.

Parents may also call the Board of Education’s Cancellation Hotline at 1-800-893-7080, check their website at www.aacps.org or check our website at www.aacounty.org.

Parents are encouraged to subscribe to our Text Message Alert System via the Civic Ready mass notification system in order to be notified of emergency closings.

- Please visit www.aacounty.org/services-and-programs/recreation-and-parks-alerts or visit www.aacounty.org and search “Alerts” to opt in to the County’s new Civic Ready mass notification system for Child Care Alerts. In this system, parents will have the option to sign up for text, email, and/or phone alerts, in addition to being able to select the language in which they prefer to hear the message.
- Parents will be responsible for all text charges from their mobile phone carrier.

**EMERGENCY CLOSINGS FOR THE ENTIRE DAY:** There will be **NO** AM or PM SACC/MSTG in the event schools are closed for the day. The emergency closing is determined by the Board of Education and may be related to inclement weather, mechanical malfunction, or other emergency situation.

**UNSCHEDULED LATE OPENINGS:** If schools open late due to inclement weather/emergency, the AM program will open an equivalent number of hours late. *(For example, if schools open 2 hours late, the program will begin at 9:00 AM.)* The PM program will operate as usual unless weather conditions deteriorate and the snow emergency plan goes into effect necessitating early dismissal.

**EARLY DISMISSALS DUE TO EMERGENCY CLOSINGS:** In the event of an early emergency school closing (due to weather, mechanical malfunction or other emergency situation) there will be **NO** PM program.

- SACC/MSTG staff will **not** be on site to assist teachers with emergency pick up information. Therefore, updated rosters and emergency information will be shared with the school in advance (see Acknowledgment of Policies form).

- Parents need to make alternative child care arrangements in advance to cover emergencies. Make sure your child knows the plan.

- Please make sure that both the SACC/MSTG Emergency Form and the school’s Emergency Notification Card are updated as needed throughout the school year.

- SACC/MSTG cannot be listed as your alternate care in an emergency situation on the school’s Emergency Notification Card.

**REGULAR DISMISSAL TIME DURING EMERGENCY:** If schools dismiss at their regular time during an emergency (due to weather, mechanical malfunction, or other emergency situation) the PM program will remain open. Depending on the situation parents may be notified requesting an earlier pick up of your child. Please ensure that the center has a phone number where you can be reached in an emergency.

**AFTERSCHOOL ACTIVITIES ARE CANCELLED:** Please be aware that if Anne Arundel County Public Schools announce that “Afterschool Activities are Cancelled”, the SACC/MSTG program will close promptly at 5:00 PM. This is for the safety of our families, children and center staff. Typically, when this announcement is made it is due to a forecast of inclement weather or a county-wide emergency. **Late Pick-Up fees will be assessed beginning at 5:00 PM.**

**UNUSUAL EMERGENCY CIRCUMSTANCES:** The Child Care Division reserves the right to close child care programs independently of an AACPS decision in the event of an unusual emergency or large-scale weather event for the safety of staff, participants, and families.

Please listen to the radio, television, or check the following: www.aacounty.org or www.aacps.org to get updated information of closings.

Please be aware that the Child Care Administrative Office follows the holidays, service reduction days, and emergency closings schedule of Anne Arundel County Government.

**EMERGENCY INFORMATION**

- It is essential that all emergency telephone numbers and change of address be kept current.

- Parents are responsible for this information, which is pertinent to the protection of their child.

- You must inform the Child Care Administrative Office and the Center Director of any changes. **Change of Information** forms are available at the center for your convenience. Your on-line registration account information also needs to be updated at our website. Go to www.aacounty.org/recparks >Child Care > Manage Your Account.
• Please also make sure the emergency numbers of your other authorized individuals are accurate in case they need to be contacted.
  o If your child is not picked up by 6:00 PM the Center Director will begin calling the persons listed as emergency contacts. **Individuals listed as emergency contacts must be willing to pick up the child and be within 15 minutes of the center.**
  o If the staff has been unsuccessful in personally speaking with an emergency contact and your child has not been picked up by 6:30 PM, the staff will then contact the appropriate agency. That agency will then take the required action.

**EMERGENCY DRILLS**

• Center staff receives Emergency Preparedness training along with a manual that outlines the steps to be followed in various emergency situations.

• Each center also has a designated nearby location in the event a center is required to be evacuated. The location is posted at the Parent Information Center.

• The centers will practice monthly fire drills. To maintain consistency with the children, the SACC/MSTG programs follow the same emergency code terminology as the Board of Education.

• Please be aware that the MSDE Office of Child Care also requires full-fledged emergency code drills of all Maryland child care centers twice per year.
  o Each individual child care center will notify parents in advance of the date and time of the drill. Parents that do not wish their child(ren) to participate in the following drills must provide alternative child care arrangements for the day.:
    ▪ **Emergency Evacuation Drill** – Staff will practice evacuating the children to their meeting location(s) outside the building on school grounds.
    ▪ **Shelter-in-Place Drill** – Staff will evacuate children to their designated shelter-in-place location within the school building.

• If you should arrive to pick-up your child in the midst of a drill, please allow the staff time to account for all of the children prior to signing your child out for the day.

• If there is an actual emergency occurring in the area, the school and/or center may be required to go into “Shelter in Place” or “Lockdown” mode. If this is the case, staff will attempt to communicate this to parents by placing a sign on the parent door (if the emergency situation allows staff the ability to do so). Please be aware that you may not be able to gain entry to the building during these types of situations as staff may be unable to answer the door. For your own safety, please seek shelter. Staff will communicate the “All Clear” and release your child to you as soon as it is safe to do so.

**ILLNESS**

• Children who are ill are not permitted to attend the program. Children who are considered too ill to attend school are also too ill to attend the SACC/MSTG program.

• The following COVID-19 Restrictions are also in place at this time:
  o **Child Health Screenings** – Parents must screen their children prior to entry into the child care programs. Any COVID exposures or symptoms must be reported to your Center Director or our Child Care Administrative Office. If you can answer YES to any of the below questions, your child(ren) are unable to attend the program. The same parameters apply to our staff members.
    ▪ Does your child (or anyone in your household) have ANY of the following symptoms: fever of 100.4 or higher, sore throat, cough, difficulty breathing, diarrhea or vomiting, new onset severe headache (especially with fever), or new loss of taste or smell?
    ▪ Is your child (or anyone in your household) waiting for a COVID-19 test result OR been diagnosed with COVID-19 and has not yet been released from isolation?
    ▪ In the past 14 days, has your child (or anyone in your household) has close contact (within 6 feet for a total of 15 minutes or more) with: anyone diagnosed with COVID-19 OR suspected of having COVID-19 and not completed quarantine?
    ▪ Has your child traveled outside of the country since they were last in child care?
  o Please be aware that we are required to report positive cases of COVID-19 for anyone on site to our local Health Department and the Maryland State Department of Education's Office of Child Care. They will inform us of next steps, which may include the closing of the facility until further notice.
If such steps must be taken, all staff members and families will be informed to self-quarantine until further notice, and will be updated with more information as it becomes available to us.

If a program is required to close for this reason, parents will be given a credit to their account for any missed days.

If you/someone in your household is being tested for the coronavirus, you will be required to provide a copy of the letter from your contact tracer/the Health Department releasing your child to return to child care and/or identifying your negative results before you can return. If your child is symptomatic, you will be required to provide a copy of a letter from your health care provider indicating an alternative diagnosis OR proof of a negative COVID-19 test. Your child will be unable to attend until they are cleared by our Child Care Administrative Office, in conjunction with the Department of Health.

- In the event your child becomes ill during our program, or is in the school’s health suite at dismissal time, every attempt will be made to contact you or the person listed as the emergency contact. Until picked up, your child will be kept away from the other children.

- Children with special medical needs must have a plan (i.e. Asthma Action Plan, Allergy Action Plan) on file with the Center Director.

- The Health Department requires that you notify the child care staff in the event your child contracts a communicable disease. Please refer to www.aahthl.org/physicianslink/CommunicableReportable.asp for details. Some examples for notification are conjunctivitis, impetigo, or ringworm. The child care staff is likewise responsible to report certain outbreaks to the Health Department. Some examples of reportable outbreaks include encephalitis, rabies, or West Nile virus.

- MSDE-OCF regulations mandate that children who are absent from the program due to illness for three (3) days or more must have a written statement from a parent or physician that the child may return to a regular schedule. A copy of the note sent to the school is sufficient.

- If your child repeatedly displays symptoms that prevent him/her from participating in program activities or if, in the opinion of the Center Director, your child may be contagious to others, your child may be excluded from the program and a doctor’s note may be requested before he/she may return to the program.

- If a staff member contacts you to inform you that your child is ill and that your child must be picked up, you must make arrangements for your child to be picked up from the Center in a timely manner. Refusal to pick up your child when they are ill or injured, or not providing accurate contact information to be used in an emergency, may result in your child being dismissed from our program. Please assist us in keeping your child safe.

**INJURY**

- The staff is required to complete a First Aid and Accident Report in the event a child is injured. Parents will receive a copy of this report.

- You will be contacted by phone if your child sustains any type of injury requiring possible additional medical attention during our program.

- A parent must be available in case of emergency. Please provide us with accurate contact information.

- In the event of a serious injury, 911 will be called and then parents or other authorized individuals will be contacted.

- Refusal to pick up your child when they are ill or injured, or not providing accurate contact information to be used in an emergency, may result in your child being dismissed from our program. Please assist us in keeping your child safe.

**CONCUSSION AWARENESS**

The Department of Recreation & Parks is committed to your child’s safety. Since your child will be involved in active play & health, fitness, sports & game activities as a part of any of our Child Care programs, we want you to be informed of the signs & symptoms of a concussion. It is a Departmental requirement that this be provided to all parents participating in Recreation & Parks programming.

- **What is a concussion?** A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild blow to the head can be serious.
- **What are some warning signs of a concussion?** – For Immediate Action, call 911.

- **What should you do if you think a concussion has occurred?**

1. **Seek medical attention right away.** A health care professional will be able to decide how serious the concussion is and when it is safe to return to play.

2. **Keep your child out of play/activity until medically cleared.** Concussions take time to heal. Don’t let your child return to play/activity until a health care professional says it’s okay. Children, who return to play/activity too soon, while the brain is still healing, risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.

3. **Inform all coaches/instructors/staff members about any recent concussions.** Coaches/Instructors/Staff should know if your child has a recent concussion. Your child’s coach/instructor/staff member may not know about a concussion your child received in another sport or activity unless you tell them.

4. **Helping your child return to sports/activities safely after a concussion.** As your child’s symptoms decrease, the extra help or support can be removed gradually. Children and teens who return to activities after a concussion may need to: 1) Take rest breaks as needed, 2) Spend fewer hours at activities, and 3) If in doubt, sit it out!

**MEDICATION**

- **A Medication Authorization Form (OCC 1216) and Medication Authorization Addendum** with a current photograph must be completed and submitted to the Center Director prior to any medication being administered at SACC/MSTG programs. The first dose must be administered at home prior to SACC/MSTG administering the medication.

- Please be aware that the County assumes no liability and the parent(s), on behalf of themselves and their minor child, hereby holds the County harmless and waives any and all claims for personal injury to the minor child as the result of the application/administration or failure to apply/administer any ointment/medication for the minor child by any County employee or volunteer.
  - **Medication Authorization Form (MSDE OCC Form 1216)** – **Prescription** or **Non-Prescription Medication**:
    - Both prescription & non-prescription medications require parent/guardian signature and a health practitioner’s signature
    - A pharmacy label must accompany any prescription medication and match the form exactly.
    - **All prescription medications must be in the original pharmacy labeled container.** Medication shall be administered according to this label or a licensed health care practitioner’s written instructions, whichever are more recently dated.
    - Medication must be received from a parent or adult (18 years or older). Children may not carry medication to SACC/MSTG.
    - Please check the expiration date of medications prior to giving to the staff.

  - Staff will not accept forms that have been obviously altered (i.e. White Out used) or are incomplete.

  - If the center staff has any doubts or the forms are incomplete the medication will not be given.
There are several additional as needed medical forms available at our website (see “Required Forms for Admission” section for a full listing):

- Permission to Apply Over-the-Counter Creams and Ointments
  - If child will be applying over-the-counter creams and ointments, i.e. sunscreen, lip balm and other external preventative applications.
  - Siblings may not share sunscreen, chapstick, and other external applications.
  - Requires parent/guardian signature.
- Allergy Action Plan provided by Health Practitioner
  - If child is to receive an Epi-pen or antihistamine.
  - Requires parent/guardian AND Health Practitioner’s signature.
- Asthma Action Plan (DHMH Form 4643) provided
  - Completed by the parent/guardian if child requires an as needed inhaler or nebulizer.
- Acknowledgment of Allergies/Medications form
  - If your child has a life threatening medical condition, and the necessary intervention and/or medication is not provided to the SACC/MSTG program, your child may be removed from the program until the requirements are met. If you do not intend to supply an epi-pen or inhaler for the SACC/MSTG program, you must sign the Acknowledgment of Allergies/Medications form. We cannot share medications with the school or accept expired medication.

- SACC/MSTG staff may not be involved in the use of g-tubes, catheterizations, or the administration of medications that require mixing/measuring/drawing up by center staff in any way. This may not be delegated by the Child Care Health Consultant and cannot be administered by the SACC/MSTG staff. If a child cannot administer this type of medication for themselves, then a parent or their designee must administer similar-type medication in SACC/MSTG as required on a daily or as needed basis.

- The parent must pick up medications that have been discontinued immediately. When your child has been withdrawn from the program all medications must be picked up. Following their MSDE-OCC Medication Administration training, the staff is required to properly dispose of any medications not picked up.
- Likewise, all medications must be picked up on the last day of school.

CHILDREN WITH SPECIAL NEEDS

- The SACC/MSTG program strives to meet the needs of every child enrolled in our program.
- In order to assist us in meeting your child’s needs, it is vitally important that you complete the registration form in as much detail as possible. The responses that you provide will assist us in meeting your child’s needs.
  - An American with Disabilities Act (ADA) accommodation request requires a two-week prior notification.
  - The parent/guardian must participate in a conference with the Child Care Administrative Office before your child can attend the program. Please utilize this conference as an opportunity to share with us your child’s IEP, 504 Plan, or any other specialized education plan they may have on file with the school. With your written permission, we are also able to speak with early intervention, special education, or other outside agencies in order to meet your child’s needs in our program.
- Please be aware that if the Child Care Administrative Office is not notified in advance, your child’s start date may be delayed until a conference can be held.

BEHAVIOR MANAGEMENT PROGRAM

- The program staff utilizes positive behavior techniques to eliminate or prevent inappropriate behavior, which includes:
  - Providing choices: As a part of our regular classroom design, each Center Director employs the use of choices for children throughout the program day. This encourages a more positive environment for children, giving them the opportunity to select activities they wish to engage in for the majority of the program day.
o **Redirection:** A child may be redirected to another activity in the room and when appropriate to the situation, the child is given an actual choice between two other appropriate activities (i.e. cars vs. legos).

o **Rules:** At the start of each school year, the children and staff gather together to review and come up with each site’s rules (which mimic the expectations noted in the Parent’s Manual). In this way, the children are made aware of the expectations of the program before negative behavior is displayed.

o **Reflection & Problem Solving:** Program staff teaches children to use reflection (i.e. to think about their choice) and problem-solving skills. Parents can expect to see some of the following examples of staff encouraging problem solving among children: 1) Adults modeling problem solving techniques & offering suggestions, 2) Adults encouraging children to work amongst themselves to solve their problem, and 3) Adults encouraging the children to solve their problems with the assistance of an adult.

- Anne Arundel County Government has also adopted the *Kids At Hope* program for all county-run agencies. The goal of the Child Care Division’s Behavior Management Program has always been to help each child grow in the direction of self-reliance, self-control and self-worth, so that each child is confident that he/she is in control of their own behavior and feels that they are an important member of his/her community. Likewise, Kids at Hope is a “strategic, cultural framework designed to engage entire communities to support success for all children, no exceptions”. Center Directors will include the following pledges as part of their daily schedule. As with many of our program components, children will have the choice to participate in the following sayings daily:
  
  o **Children’s Pledge**
  “I am a Kid at Hope. I am talented, smart and capable of success. I have dreams for the future, and I will climb to reach those goals and dreams every day.”

  o **Treasure Hunter’s Pledge** (the staff respond to the children)
  “As an adult and a Treasure Hunter I am committed to search for all the talents, skills and intelligence that exist in all children and youth. I believe that all children are capable of success... no exceptions!”

- Children are taught to use reflection and problem solving. Staff reminds children to make good choices and discusses these choices with the child. Each center also incorporates a positive behavior management program into their daily routine.

- Under no circumstances should a parent attempt to discipline a child other than their own during the child care program. The center staff will carry out all discipline and all concerns should be brought to the attention of the Center Director.

- Parents are not permitted to have physical contact with children other than their own.

- While parents come into the center to pick up or drop off their children, and on occasion observe the activities in the center, it is the role of our staff (rather than parents) to direct the activities of the center and to address the needs of children attending the program.

**EXPECTATIONS OF CHILDREN ENROLLED IN CHILD CARE**

- Every child has the opportunity to be successful in our child care programs with the safety of all of the children and staff being our primary concern. However, we also recognize that the SACC/MSTG program may not always be the appropriate environment for your child. It is important for parents to recognize that the size or type of the individual SACC/MSTG program may not always be the appropriate environment for your child’s needs.

- The following list of expectations is not an all-inclusive listing. There may be some additional site-specific expectations:
  
  o **Engage in appropriate group interaction**
    - Respect self, others, body, space and personal belongings
    - No biting, hitting, pushing, kicking, or other rough contact
    - No bullying (including cyber bullying)
    - No spitting
    - Share

  P.M. - pg.26
Be cooperative  
Take turns  
Use language that is appropriate for a child care center  
- Stay within the designated area or where directed by staff. For example in the multi-purpose room, media center, outdoor play area, etc.  
- Follow the schedule and participate in daily activities  
- Function without disruptive behavior in a supervised environment of 1 staff to 15 children (1 staff to 10 children for Pre-K programs)  
- Comply with staff requests and instructions

**ACCOMMODATIONS FOR CHILDREN**

- Accommodations can be made to meet the needs of an individual child in many cases, however, all children will be required to meet these standards and refrain from behaviors that threaten the safety of themselves, other children or staff members.

**FIELD TRIP CHAPERONES (SUMMER MONTHS)**

- During the summer months, if it is deemed necessary that your child needs one-on-one interaction/instruction during a field trip (this may include special medical needs, wandering from the group, behavior presenting a physical danger to themselves or others and/or failure to comply with staff requests and instructions), parents may be required to provide an adult (over the age of 18) chaperone for field trips.  
- If the Child Care Administrative Office indicates this is required, our office will pay for the field trip entry fees and provide the necessary bus transportation for both the child and their chaperone.

**INAPPROPRIATE BEHAVIOR**

- It is hoped that the positive behavior program will eliminate or prevent inappropriate behavior, but some inappropriate behavior may still be displayed. As stated before, staff remind children to make good choices, and may use one or more of the following consequences for inappropriate behavior: Take 5 (time-out), loss of activity, redirection, Take 5 plus (longer time-out), peace table, problem solving session, reflection and/or “think” sheets, etc.  
- The steps in the procedures below may not occur in the sequence listed depending on the nature of the behavior. Please refer to our Discipline Policy listed above.

- When inappropriate behavior occurs, the following procedures will be implemented:
  1. The staff will attempt to redirect the child. Additionally, the behavior will be documented and the parents or legal guardian will be notified of the issue. If the behavior involves intentionally harming another child, staff member, or threatens the safety of the child/staff, the parent/guardian will be verbally notified on the day of the issue. The written documentation will follow no later than 3 school days after the verbal notification. **If in the opinion of the Center Director, a child’s behavior compromises the safety/well-being of themselves or others, immediate suspension or dismissal from the program may result.**  
  2. If the behavior occurs again, it will be documented and the parents or legal guardian will be notified of the issue. If the behavior involves intentionally harming another child, staff member, or threatens the safety of the child/staff, the parent/guardian will be verbally notified on the day of the issue. The written documentation will follow no later than 3 school days after the verbal notification. **If in the opinion of the Center Director, a child’s behavior compromises the safety/well-being of themselves or others, immediate suspension or dismissal from the program may result.**  
  3. If the problem persists a parent conference will be scheduled between the parents/guardian and Center Director. Depending on the circumstances the child may be suspended until the conference is held and a plan is in place.  
  4. If the problem has not been resolved following the conference, and the child is suspended, the following must take place before the child can return to the center: 1) a plan must be developed and in place and 2) a re-entry conference must take place with the child, parents, Center Director and/or Child Care Program Specialist.  
  5. If the behavioral concerns persist following a suspension, dismissal from the program may result.
6. If in the opinion of the Center Director, a child's behavior presents a physical danger to themselves or others (this may include failure to comply with staff requests and instructions or leaving the designated area without permission), immediate suspension or dismissal from the program may result.

7. If the child is dismissed for the balance of the school year the parent must schedule a re-entry conference with the Child Care Program Specialist (the Center Director's supervisor) to determine if the child can return to the program in the future.

8. Since SACC/MSTG shares space with the Board of Education and children are part of both programs, the SACC/MSTG program must also heed the offenses and violations listed in the Student Code of Conduct found in the current Anne Arundel County Public Schools Student handbook. Please be aware that some of these offenses and violations require SACC/MSTG to notify the school principal and in some cases the police are notified as well. Other examples of infractions that may require immediate and/or extended suspension/expulsion from the program are: possession or use of a real or "fake" weapon or firearm; sale, distribution, or attempts to sell drugs or alcohol; verbal or physical threats; profanity or abusive language (including ethnic or racial slurs); maliciously cutting, defacing, or otherwise damaging property; open and/or persistent defiance of a staff member; and sexual harassment. The policy is based on the seriousness of the offense, the attitude and age of the student, the pattern of misconduct, and the degree of cooperation.

9. Please be aware that if your child is suspended from Anne Arundel County Public Schools during the school day, they are not permitted on school grounds and therefore, they are unable to attend the SACC/MSTG program as well.

**PARENT COMMUNICATIONS**

- Communication between parents and the center staff is a key ingredient to the success of our programs. This is accomplished through regular communication with the parents and parental participation in scheduled events. See the Family Communication & Participation section of this manual for a full listing of the many wonderful opportunities available to families to participate in our programs throughout the year.
- Parents can always contact the Child Care Administrative Office by emailing us at sacc@aacounty.org with concerns and suggestions. Suggestion forms are also available at each center for parents to utilize in expressing their concerns.
- Please feel free to contact the Child Care Administrative Office or the Center Director on site if you need to share additional information concerning your child. Parents are requested not to contact their child by telephone at the center unless it is an emergency situation.

**PARENTS' EXPECTATIONS**

  o Please be aware that the following concerns may result in your family being dismissed from our child care and/or recreation & parks programs:
    ▪ 1) Parent/guardian’s unreasonable treatment of the staff/children/parents, including inappropriate airing of complaints, use of language that is inappropriate for SACC/MSTG, and/or intimidation (physical or verbal) of the center or office staff, other parents or children,
    ▪ 2) Parent/guardian may not correct any child other than their own during the program. Any concerns witnessed with another child must be immediately reported to a staff member for their handling of the situation.
    ▪ 3) Parent/guardian refuses to pick up (or send someone to pick up) their child in cases of illness, injury, or behavioral emergency, or
    ▪ 4) Parent/guardian does not provide accurate contact information in order to contact them in an emergency situation.
