INFORMATION: We are pleased to be able to continue to operate in our current locations for the Second Marking Period! We will continue to provide Wi-Fi access to complete virtual learning (parents must provide schedules, log-in information, electronic devices & headphones), arts and crafts, games, activity stations, and STEM & Literacy enrichments. Outdoor play will be utilized as we are able depending upon weather, sharing space with schools, site layout and restrictions. Breakfast, Lunch and Dinner will also be provided through 12/23/20 via our partnership with Anne Arundel County Public Schools’ Food and Nutrition Services. The Child Care Administrative Office will alert you if this grant is extended past 12/23/20.

Current COVID-19 restrictions include the following: children must remain in the same group and the same room the entire week, children & staff members must wear masks (except when eating), heightened sanitizing & social distancing will be in place, and temperature checks & health screenings are required upon arrival of staff and children. Parents may not enter the child care space and must also wear masks at all times. We will follow the guidance of the Health Department to close/alert the program as necessary if a child/staff member meets the symptom/exposure criteria to do so. If the program closes due to COVID, credits will be issued to parents. Per the Maryland State Department of Education, please be aware that group sizes may now increase to previous child care capacity as long as social distancing can be maintained.

REGISTRATION/REFUND POLICY: Please be aware that there is a minimum & maximum registration for each center. We will roll-over registration for the families we are currently serving before opening any remaining spaces to the public.
