Quiet Waters Park opened in September of 1990. Now, three decades later the park attracts over one million visitors a year. The crown jewel of our park system has been established as a beloved haven of sanctuary and sanity for its patrons, who praise its paths, forested groves, tucked-away gardens and spectacular water views.

In celebration of the park’s 30th anniversary, a commemorative poster that highlights the cherished features of the park was created by local artist Joe Barsin. Joe’s artistic work is prevalent throughout the Mid-Atlantic region to include his Maryland “Treasure the Chesapeake” license plate and art for Anne Arundel Medical Center’s Fish for a Cure, Annapolis Film Festival, Downtown Annapolis Partnership and more. His company Citizen Pride sells his illustrations on many different products and locally at Local By Design, the Museum Store, and other shops.

The commemorative posters are on sale at the Quiet Water’s Park Visitors Center Monday thru Friday from 10 am - 3 pm (*). Additionally, on Saturdays September 12, 19, and 26, from 12 - 2 pm, the Visitors Center will be open for an anniversary historical display, videos, and featured art sales. September 12 will feature a ‘Meet the Artist’ session with Joe Barsin.

The commemorative poster is available for purchase in two sizes for $15.00 and $5.00. A limited amount of posters numbered and signed by the artist cost $30.00. All sales benefit the Friends of Quiet Waters Park Nature Center.

See more about the poster at www.vimeo.com/aarecparks

* Due to COVID restrictions, the Visitor’s Center is currently closed to the general public. To enable the purchase of the commemorative poster, Park staff will allow one person at a time in the Visitor’s Center. Please ring the doorbell at the entrance closest to the Visitor’s Center office (up the stairs from the reflective pool). No cash transactions allowed. Payment must be by Credit card, Apple Pay or Google Pay.
A message from the Director

Dear Anne Arundel County Residents,

During these challenging times of COVID-19, Anne Arundel residents have been forced to adjust to a new normal. Many have logged extra hours at home with less school activities, community events, and other entertainment to keep us busy and engaged. While our department has also scaled back programs for the safety of residents, our county parks have been a safe haven, refuge, and place to enjoy exercise and nature for many during this pandemic. With park entrance fees waived this spring and summer, regional park attendance has increased as much as seventy two percent, with parks reaching capacity many weekends.

This is good news that our residents want to enjoy walking, jogging and hiking and value what our Department has to provide. I want to thank everyone that helps keep our parks clean, safe and attractive so that residents have a place to go spend time outside. Slowly and safely the County has been reopening. Residents can enjoy fishing, boating, tennis, horseback riding, archery and golf with more to come soon.

This Fall 2020 Program Guide features several classes, programs and events that are being offered in our parks and virtually. I think you will find that Anne Arundel County has much to offer. So I encourage you to Enjoy our programs and events, Explore our parks and sanctuaries, and Restore your health and vigor.

Regards,
Rick Anthony, Director

DANCE PROGRAMS
Virtual Fall Dance Classes

Note: Instructors may make suggestions after the first class regarding the appropriate class for the child based on his/her skill level.

For all virtual classes listed below, the following requirements are needed:

- Each student needs their own personal space to dance/move.
- Each student needs their own laptop or computer (cell phones, Chromebooks, and iPads are NOT recommended).
- Each student participating in a class (including siblings) must be separately registered for class.
- Dance attire (leotard and tights with hair pulled back) and dance shoes (ballet, tap, jazz shoes) will still be required for class.

Water Safety for Parents and Caregivers Online Course - Free on ARC
The Water Safety for Parents and Caregivers Online Course focuses on developing an awareness of the risks of drowning and how to minimize those risks, especially for young children. This online course teaches parents and caregivers about the concepts of the circle of drowning prevention, water competency and the chain of drowning survival. It also provides guidance for applying water safety to common environments and situations where children are most at risk for drowning.

Lifeguard Management - $92
The Lifeguard Management course is designed to prepare aquatic professionals to effectively manage lifeguards and help keep patrons, staff and facilities safe. This highly interactive, 3.5-hour course is completely online and includes video lessons, scenario-based activities and a final exam. There are no prerequisites for this course. The person may or may not have a lifeguarding background, and may manage seasonal or year-round operations. Successful participants receive a certificate that is valid for 2 years.

Cat and Dog First Aid - $20
You love your pets, and want to give them the best life possible; being equipped to deliver first aid and provide a healthy lifestyle for your pet is the best way to do that. In this course, you will learn the basics of providing first aid care for your cat or dog, and will learn how to best give care for common emergency situations. This 35 minute online course covers understanding your pet’s vital signs, breathing and cardiac emergencies, wounds and bleeding, seizures, and preventative care for cats and dogs. This course, developed by the American Red Cross and the National Federation of State High School Associations, gives students an overview of first aid and “best practices” for many first aid situations encountered by coaches. Topics include: Checking an Unconscious Athlete; Asthma; Sudden Illness; Heat Related Illnesses; Wounds; Injuries to the Head, Neck and Spine; Psychological and Mental Health Problems. **Wilderness Solo**
10:00 am Saturday - 12:00 noon Sunday
**Jug Bay Wetlands Sanctuary**
1361 Wrighton Rd, Lothian, MD 20711

The basic principle of a wilderness Solo is you go out into nature, the more remote the better, and confine yourself to a very small area for a set period of time. Our Solo will be for about 22 hours. During this period, you forego anything that might come between yourself and your own solitude. No phone. No books or other reading material. No fire. Nothing to allow you to be distracted. Participants may or may not bring food. Keep in mind when you have nothing to do for hours, the thought of food can be an all-encompassing preoccupation, undermining the entire project of unmediated communion with nature. There is an extraordinary transformative power in the practice of sitting and doing nothing, and thereby slowing your mind and body to a meditative rhythm in nature. After this period of immersion, you step outside of your circle, and you re-enter the world. Snack provided upon completion. Ages 18 and older. $20 per person. Registration required. For questions call 410-222-806 or email jugbay@aacounty.org.
