Summer Child Care

The theme for our 2022 Summer SACC Programs is “Adventures through Time”. This summer, we are excited to provide arts and crafts, games, activity stations, outdoor play, and STEM & Literacy enrichments for your child!

The most current COVID-19 restrictions in place for Child Care at the time of opening will be followed. At this time, that includes: masking, heightened sanitizing, assigned groupings, and no field trips or traveling enrichments. Parents may not enter the child care space and must also wear masks at all times. We will follow the guidance of the Health Department to close/alert the program as necessary if a child/staff member meets the symptom/exposure criteria to do so. If the program closes due to COVID, credits will be issued to parents.

Registration

Please be aware that space will be limited by the most current COVID-19 restrictions in place for Child Care. There is a minimum & maximum registration for each center, and registration is on a first-come, first-served basis. Additional children will be added from the wait list if/when we are able. Only children entering 1st-6th grades for the 2022-2023 School Year are eligible to attend. Every child MUST have the State mandated forms completed and on file prior to their attendance in the program (Health Inventory requires a doctor’s signature).

Summer Registration will officially open online on February 8, 2022 starting at 12am (midnight). Go to: www.aacounty.org/departments/recreation-parks/child-care/ for more information, to create an account & to register. Need assistance? Give us a call at 410-222-7856, ext. 0. NEW participants to Rec & Parks Child Care are urged to create an account with us online prior to registration day. This will help to ease your online wait times when you log in to register on February 8th for these popular programs.
