Explore Recreation and Parks

Winter 2021

AACOUNTY.ORG/RECPARKS
Quiet Waters Park opened in September of 1990. Now, three decades later the park attracts over one million visitors a year. The crown jewel of our park system has been established as a beloved haven of sanctuary and sanity for its patrons, who praise its paths, forested groves, tucked-away gardens and spectacular water views.

In celebration of the park’s 30th anniversary, a commemorative poster that highlights the cherished features of the park was created by local artist Joe Barsin. Joe’s artistic work is prevalent throughout the Mid-Atlantic region to include his Maryland “Treasure the Chesapeake” license plate and art for Anne Arundel Medical Center’s Fish for a Cure, Annapolis Film Festival, Downtown Annapolis Partnership and more. His company Citizen Pride sells his illustrations on many different products and locally at Local By Design, The Museum Store, and other shops.

The commemorative posters are on sale at the Quiet Water’s Park Visitors Center Monday thru Friday from 10 am - 3 pm (*).

The commemorative poster is available for purchase in two sizes for $15.00 and $5.00. A limited amount of posters numbered and signed by the artist cost $30.00. All sales benefit the Friends of Quiet Waters Park Nature Center.

See more about the poster at www.vimeo.com/aarecparks

* Due to COVID restrictions, the Visitor’s Center is currently closed to the general public. To enable the purchase of the commemorative poster, Park staff will allow one person at a time in the Visitor’s Center. Please ring the doorbell at the entrance closest to the Visitor’s Center office (up the stairs from the reflective pool). No cash transactions allowed. Payment must be by Credit card, Apple Pay or Google Pay.
Dear Anne Arundel County Residents,

I am proud to share that your Anne Arundel County Department of Recreation and Parks has joined the ranks of elite park and recreation agencies across the country by earning national accreditation through the Commission for Accreditation of Park and Recreation Agencies (CAPRA) and the National Recreation and Park Association (NRPA). This distinguished accomplishment was awarded during the 2020 NRPA Annual Conference: A Virtual Experience.

The CAPRA accreditation has been a goal of our department for over five years. It represents a tremendous effort from our staff to take a hard look at ourselves and what improvements we needed to make to become the high performance agency we sought to be. I am extremely proud of our team for reaching this important milestone. This is something our residents can celebrate and have confidence that we are delivering the quality services they deserve.

County Executive Steuart Pittman said, “I’ve often suspected we have one of the best Rec & Parks departments in the country, and now this national certification proves it.”

As part of the accreditation process, the department had to demonstrate compliance with 151 recognized standards and document all policies and procedures. Often the process helps identify efficiencies and heighten areas of accountability, all of which translate into higher quality service and operation to benefit the community.

So I encourage you to Enjoy our programs and events, Explore our parks and sanctuaries, and Restore your health and vigor.

Regards,
Rick Anthony, Director

Winter Dance Classes

Note: Instructors may make suggestions after the first class regarding the appropriate class for the child based on his/her skill level.

For all virtual classes listed below, the following requirements are needed:

- Each student needs their own personal space to dance/move.
- Each student needs their own laptop or computer (cell phones, Chromebooks, and iPads are NOT recommended).
- Each student participating in a class (including siblings) must be separately registered for class.
- Dance attire (leotard and tights with hair pulled back) and dance shoes (ballet, tap, jazz shoes) will still be required for class.

If you are interested in a virtual class and it is full, please add yourself to the WAIT list so we know there is more interest in a class.

Before class starts, you will receive an email with some instructions for class and tips for a most successful experience.

All classes are a virtual version of our traditional classes of each level.

* Students will have the option of participating in the virtual spring recital. More information will be given to students during the Winter session. Additional fees may apply.

Ice Skating at Quiet Waters

As with many other aspects of our lives, the planned limited opening of the ice rink has been postponed until after the Thanksgiving holidays at the earliest due to the Covid-19 pandemic.

While ice skating may seem to be a safe outdoor activity to some, many considerations need to be taken into account to keep park visitors and staff safe. Numerous contact surfaces need to be cleaned (think of the rink walls used by many for stability/balance) not to mention promoting physical distancing and enforcing mask rules. Plus, appropriate procedures and infrastructure need to be addressed to keep park staff safe during their interactions with visitors (as a reminder, the Visitor’s Center is closed to the public until further notice).
