

CRITERIA FOR TEAM PLACEMENT

A LEVEL PLACEMENT

- Most competitive level of play;
- Generally are teams consisting of players with the highest skill set within a 1 year age limit.
- TEAMS with AAU players must play in the A division

B LEVEL PLACEMENT

- Teams generally are a combination of experienced and recreation players;
- Majority of players on a team seek higher skills / play level;
- Distribution of teams generally is about ½ recreational players and ½ skilled players.

C LEVEL PLACEMENT

- Truly a recreational league;
- Generally teams consist of players not seeking higher levels of competition;
- Emphasis is on participation and learning rather than winning games.

CRITERIA FOR RE-SEEDING

MOVEMENT

- NO MOVEMENT FROM A LEAGUES;
- Ideally One (1) for One (1);
- Exceptions would be:
 - swaps that eliminate a bye or create more even leagues
 - teams being placed in incorrect age groups
- 20 point win vs 20 point loss constitutes potential move (egregious scores)
