Anne Arundel County Planning and Zoning Department would like to thank you for the donation of artifacts described above. These artifacts, along with associated excavation documents and field records represent an important addition to our County-wide archaeological collection and will aid in our understanding of the peoples and history of this county. The artifacts have been placed in the care of Anne Arundel County and will be curated in accordance with the standard guidelines for artifact curation set forth by the state of Maryland, to be held in perpetuity by the County as a record of our collective history.
