**INSTALLATION AND INSPECTION**

1. The Owner has submitted and the County has approved a forest conservation plan, buffer management plan, reforestation plan (“Plan”) for the Property, a copy of which is on file at the County Office of Planning and Zoning.

2. The Owner is required to complete reforestation, afforestation, or replanting on the Property in accordance with the Plan and the Code.

3. The Owner shall be responsible for the provision, installation, and maintenance of all plant materials required by the Plan and shall be bound by the terms and conditions of the approved Plan and all applicable law and regulations.

materials. Owner hereby grants to the County a right of entry onto the Property for the purpose of inspecting the approved installation and verifying compliance with the approved Plan.

6. The Owner has paid to the County an inspection fee in the amount of \$ \_\_\_\_\_, which is 10% of the total approved estimated cost of the installed plant materials. The inspection fee will not be decreased even if the actual cost claimed by the Owner is less.

**SECURITY**

7. All security required by this Agreement shall be in the form of a:  
\_\_\_\_\_ Cash deposit (including a personal, certified or cashier's check),  
\_\_\_\_\_ Irrevocable letter of credit, or  
\_\_\_\_\_ Performance and completion bond; from a surety acceptable to the County.

8. This Agreement is accompanied by performance and completion security if required by the Code. The amount of the security is \$ \_\_\_\_\_, which is equal to \$1.50 per square foot in the Critical Area or, otherwise, equal to the total approved estimated cost of the installed plant materials as set forth in paragraph 4.

9. In addition to the security posted with this Agreement, the Owner agrees to reimburse the County for any and all additional costs incurred to complete, restore, or repair the plantings required by the Plan, including all County administrative costs; independent contractor, consulting engineer, or other expert fees; attorneys' fees; and pre-judgment interest at the rate of 6% per year. The Owner further authorizes the County to recover these additional costs by collection pursuant to § 1-8-101 of the County Code.

10. The County shall retain the security required by this Agreement for a period of two years after installation and acceptance of the plant materials. After the expiration of at least one growing season, the County may reduce by no more than 50% the amount of the security required by this Agreement if the Owner has performed at least 50% of the obligations under this Agreement and the County determines that a partial release will not impair implementation of the Agreement. To request a reduction, the Owner shall file an application with the County; provide justification and any required documentation, including new or additional security if the County so requires; and agree that all other terms and conditions of this Agreement shall remain in full force and effect.

### **REMEDIES**

12. If the Owner fails to install the required plantings or fails to take appropriate and effective corrective action after written notice by the County or otherwise fails to perform this Agreement in any manner whatsoever, the County may declare the Owner in default and may complete, restore, or repair the plantings required by the Plan, either through its own forces or through a contractor. In addition, the County may take all action and pursue all available remedies, whether legal or equitable, provided for by applicable law, including forfeiture of any security and the recovery of any costs incurred by the County pursuant to the provisions of § 1-8-101 of the County Code.

13. No remedy available to the County is exclusive, all remedies shall be cumulative, and the exercise of one remedy by the County shall not preclude the exercise of other remedies at the same time or at different times.
