Notice of Revisions to Standard Details for Construction (ADA Compliance)

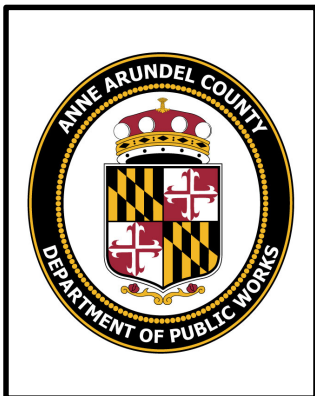

The Department of Public Works (DPW) has updated Standard Details, Section VII, Roadway and Site Improvements, as follows:

- Replaced I-5 with I-5A, I-5B, and I-5C
- Removed I-14 through I-23

DPW has added new Standard Details, Section XII, Pedestrian Facilities, as follows:

- Added PF-1 through PF-29

DPW will also be advising Contractors during Procurement of this change to the Standard Details. All new solicitations for construction starting July 1, 2022 will include and be subject to the revised General Provisions. Attached are the replacement and new details.

Christopher Phipps

Director
