

OUR STORY

Partners and
Communication Channels

RESULTS

Families are safe and economically stable

Children enter school ready to learn

All people are safe and physically and mentally healthy

SHARED PRIORITIES AND STRATEGIES

- 1 Increased awareness of community resources (basic needs, jobs, health)
- 2 Living wage jobs
- 3 Youth development
- 4 Affordable bilingual early childhood education and care
- 5 Affordable, quality health care

SAFE TRANSPORTATION

Awareness and Outreach

- South County Resource map and information dissemination
- Anti-stigma campaigns for mental health and substance abuse
- Racial equity training
- Build community trust/enduring relationships
- Job fairs
- Self-reflection campaign

Access

- Meet families where they are
- Placed-based programs and safe spaces
- Food and other basic needs (expand Pantry on the Go)
- Healthcare, including dental care (Bay Community Health)
- Mobile resources/services (distribute books and food at trailer parks)
- Flexibility of call-n-ride
- Affordable housing options
- Connectivity and internet

Add/Expand

- Coordination of services to meet basic need
- Relationships with local-based farmers
- Business partnerships to create more local, living wage jobs
- Job training (in person and online)
- Out-of-school activities for youth
- Bilingual supports (including early childhood programs at Carrie Weeden) and Literacy (esp. Spanish literacy)
- Mental health + substance use support
- Health equity
- Data collection
- Youth education on post-high school options and exposure to exposure job readiness programming
- Connection and collaboration between community serving organizations
- Enhance educational programming to ensure appropriate learning development
- Youth engagement in communities
- Support community-based youth and family focused non-profits in the delivery of services
- COVID Recovery across all sectors with a trauma-informed approach
- Development of a prescription produce program
- Address historic policies that maintain and perpetuate systemic racism

PERFORMANCE MEASURES

- Total # of COH stakeholders
- Total # of aligned initiatives in the COH
- % of community members and stakeholders in the COH that feel more positively about their community

PRIMARY INDICATOR

- % Poverty Rate in TBD
