

Below are the steps for a member to get their CPAP machine from an in network provider.

- Review the National DME Vendor list available on the member website to confirm the vendor is part of the Aetna network
  - [http://www.aetna.com/docfind/cms/html/national\\_dme\\_providers.html](http://www.aetna.com/docfind/cms/html/national_dme_providers.html)
- Obtain a script and/or order from an Aetna in-network provider. The script and/or order will be sent to the DME vendor by the provider to order the CPAP machine
- The CPAP machine is part of the DME rental capped purchase plan. Aetna will pay the rental price monthly up to the purchase price.
- The rental of the CPAP machine is subject to the DME benefit under the medical plan
