RE: Annual Development Measures and
Indicators Report for the Calendar Year 2022

Dear Planning and Zoning Officer Jarkowski:

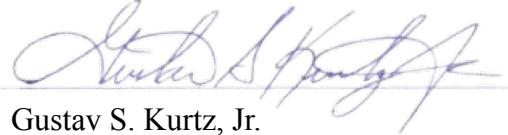

Section 532 of the Anne Arundel County Charter established the Planning Advisory Board (PAB). Section 532 (b) establishes that the PAB shall make advisory recommendations to the Planning and Zoning Officer and the County Council relating to various matters including Master Plans. In accordance with the Maryland Land Use Article § 1-207, the PAB shall prepare, adopt and file an Annual Measures and Indicators Report with the County Council.

On July 26, 2023, the PAB met and received a presentation from Office of Planning and Zoning (OPZ) staff on the content of the Annual Development Measures and Indicators Report for Calendar Year 2022.

After a discussion with staff, the PAB unanimously voted 5-0 to adopt the Annual Development Measures and Indicators Report for Calendar Year 2022 and to transmit to the County Council as required by § 1-207 of the Land Use Article.

The PAB appreciates the opportunity to provide you with the adopted Annual Development Measures and Indicators Report for Calendar Year 2022. If there are any questions regarding our recommendation, please contact Michael Stringer in the Long Range Planning Section of OPZ, pzstri20@aacounty.org.

Sincerely,

Gustav S. Kurtz, Jr.
