

# Summer 2024 Programs

## Pickleball

Beginners will learn to play America’s fastest growing sport! The participants will learn the basics of the game, how to serve the ball, and the importance of footwork and anticipation. Participants will learn how to score points and call the score before serving. Lots of fun and exercise too!

Intermediate/Advanced will learn strategy and become more consistent players. Practice drills for better footwork and placing proper placement shots against your opponents. Learn more about using “The Kitchen” to set up winning points. Strategic doubles game play will be incorporated.
