1. The total WPRF (stormwater fee) charged for all properties owned by the same Homeowners Association (HOA):

2. The number of property tax accounts for homes and unimproved lots within the boundaries of the HOA:

WPRF Cap for HOA-Owned Property

Cap Amount: If the total WPRF across all HOA-owned tax accounts is more than the number of property tax accounts for the homes and unimproved lots within the boundaries of the HOA multiplied by 40% of the base rate, the HOA may appeal to have the fee capped in accordance with Anne Arundel County Code section 13-7-103(g).

HOA Definition: For purposes of the WPRF, an HOA is defined as an incorporated or unincorporated homeowners association, civic or community association, council of condominium unit owners, or similar entity.
