2024-2025 School Year Fees - Before-and/or After Care (Monthly)

For more info & to register, go to <https://www.aacounty.org/departments/recreation-parks/child-care/index.html>.

The fees for our school year programs below are established on a yearly basis and are determined by program costs. The annual expense is then divided into ten equal payments. There is no reduction in fees for months with a relatively few number of school days, just as there is no increase in fees for months with a greater number of days. All school year programs (regardless of location) follow the Anne Arundel County Board of Education school calendar & emergency closings schedule. If a family withdraws at any point during the school year, they lose their space/priority for subsequent school years as well. All licensed child care programs are closed on early dismissal days and on days when schools are closed. Information will be shared with families regarding "School Break Fun Days" one-day recreation program options for an additional fee.

This results in an annual expense (if your child attends AM & PM SACC for the entire school year) of \$4,350.00.
