MINIMUM PLAY

Each player in uniform shall play a **minimum of 50% of each game**. Exceptions will be made in the event of illness, injury or disciplinary action.

HOME FIELD RESPONSIBILITIES

When not playing on AA County turf fields, it is the responsibility of the **organization** whose field the game is to be played to ensure that the field is ready for play. In most instances, this will be the home team, but in some cases it may not. For example, when Team A plays Team B at Organization C's field, it is the responsibility of Organization C to ensure that the field is ready for play. "Ready for play" means that the field is: lined, substitution area is marked, and goals are in position with game quality nets, and field corners must be marked with soft/flexible cones, pylons or flags.

SAFETY TURF RULES

- Follow established Board of Education policies regarding use of athletic facilities.
- Coaches and Players only on the turf areas. Spectators **MUST** use the bleachers and not fields or track.
- Chairs are **NOT** allowed on the fields or track.
- Water **ONLY** on the turf. No gum allowed in stadium areas, near the turf field or track.
- Sunflower seeds are not allowed on the turf or track.
- Dogs are not permitted within the gates of the stadium or turf field areas.
- No tobacco products are allowed on school property or playing fields.

RESCHEDULING OF GAMES

Rescheduled Games: The County will NOT reschedule games canceled by the coaches or organizations. The County will reschedule games if it is determined that the game cannot be played due to a verifiable school or religious related obligation that affects more than 50% of a competing team.

Canceled games by coaches or organizations without notification and acknowledgement by the County Sports Supervisor will result in full payment to the officials by the organization.

Rain out Games:

If game cancellation is not posted on the website, go to the field unless you have received a call that the field is unplayable.

Inclement weather cancellation website: <https://www.aacounty.org/services-and-programs/recreation-and-parks-alerts>. Please sign up for text and e-mail alerts regarding field closures.

Inclement weather decisions made by the County will be posted by 4:30pm on weekdays, weekends by 7:30am. If games have not been canceled (*there will **NOT** be an update*), go to the field where the official will determine whether the game is playable.

- ***If a game is 50% or more complete and is canceled due to weather it is considered a full game.***
- ***If a game is less than 50% complete and is canceled due to weather it will be restarted at the beginning.***
- ***In either situation the officials will be paid a full game fee as well as if the game is restarted.***

The County will only schedule rain-out games if a team has played 4 or fewer games. They will reschedule rain-outs to bring a team up to 7 games played if calendar time allows. Rainouts for Sticklettes will not be rescheduled.

OFFICIAL'S FEES: Must be paid prior to season start date. If fees have not been paid by the season start date, the organization's games will be canceled until payment in full is made.

Stickettes: Coach Ref	6 games
Pee Wee: \$48/team for 2 refs	8 games
Middie: \$68/team for 2 ref	7 games + top 4 Playoffs in levels A & B
Junior: \$68/team for 2 refs	7 games + top 4 Playoffs in levels A & B

If one official works when there should be two Officials, the one Official will be paid 1-1/2. Example: fee for 2 refs is \$68/team totaling \$136, the fee for 1 ref will be \$51/ team, totaling \$102.

Note: number of scheduled games played may be less than assigned, due to inclement weather and scheduling conflicts.

It is the responsibility of the organizations to request a refund of officials' fees for all appropriately canceled games. Refund requests must be received within 7 calendar days of the championship game or balances will be forfeited and returned to AAGLO. When requesting a refund, the following information is required: contest date, time, location, level, teams (home and away), and authorized reason for cancelation (DO NOT request a refund for a game that is rescheduled). Requests for refunds should be emailed to wlofficials@gmail.com with the subject line "AACo Rec Refund Request". All refunds will be processed at the end of the season.

OFFICIALS (NO-SHOW) - If no Officials show for the assigned game; game will be rescheduled on the rain date if schedule permits.

FORFEITS – if Team B does not show, then Team B must pay the refs fee for both Team A & Team B. The official's fee for Team A & B **MUST** be paid **to the AAGLO** by Team B **BEFORE** the end of regular season and to be kept in good standing.

SCORE AND TIME KEEPING

Every coach should be provided with a stopwatch. Each team should provide a volunteer scorer to stand behind the substitution area. By mutual agreement, one scorer should keep penalty time. Both should keep the score and consult with each other after each goal to make sure that they agree.

- It is their responsibility to keep the score and penalty time.
- Officials will keep official game time on the field.
- In the event only one person is available to score keeping duties, it is official.
- In the event no one is available to perform score keeping duties, then the Home Team Forfeits.

STANDINGS FOR MIDDIES, JUNIOR AND SENIOR LEAGUE ONLY

It is required that the winning team (or both teams if game is tied) is to submit their game score to the Recreation & Parks Department through the AA County Team Sports website (<https://aacoprod.aacounty.org/TeamSports/Login>). The team must submit score within 24 hours of the end of the game.

Failure of winning team to submit game score could = Loss!

LEAGUE PLAYING GUIDELINES

2025 leagues are playing NFHS/USL Girl's rules (with the below exceptions) and are governed by the Recreation and Parks Guidelines and Reference Manual. We do **not** use USL Youth Rules.

****Spectators must be on opposite side of teams (unless on stadium seated field)****

NFHS Rule Changes and POINTS of EMPHASIS:

- **No mouthpiece No play!** ALL Players must have a colored mouthpiece (not white or clear & no fanks) in their mouth at ALL times during play.
- **Dangerous Contact – Dangerous Play** – result in major foul and an automatic yellow.
- Head Coaches are required to exchange and check opposing roster prior to every game.
- **Maximum number of coaches allowed on the sidelines per team is three (3).**
- No Coaches on the field during the game. Exception – Sticklettes are allowed one coach from each team as an official.
- Red Card issued to a player, coach, or spectator will be an automatic ejection from that game. Players receiving a red card are suspended for that game and at least the next subsequent game and are subject to additional disciplinary actions. Please refer to page 50 of the AA Recreation and Parks Guidelines and Reference Manual for more detail.
- Only the head coach is allowed to speak to the official.
- It is the head coach's responsibility and liability to assure that all equipment is legal.
- Goalies must wear thigh pads that are sewn into shorts/pants.
- Face paint is not allowed. Eye black is allowed one solid stroke with no logos, etc. and shall not extend further than the width of the eye socket or lower than the cheek bone.
- Team substitution Area- Players should not be in the TSA until it is imminent. (Player leaving the field has acknowledged being called off and starting to move toward the TSA.) All substitutions are to go through the TSA (on the fly, during an injury TO, after a goal, etc.)
- Players who receive a card are to sit or kneel in the TSA until their penalty time has elapsed.
- Mouthguards are to be worn properly and there should be no tabs, the front of the mouthguard needs to be flat.
- This year as in the past several years point of emphasis for the officials, coaches and players is to use the stick legally and safely. As officials we are focusing on enforcing the illegal stick to body contact. When there is contact to the body by a stick the head of the stick needs to be at a 10-2 (on an analog clock) position. Any contact with a stick that is not in that position is a major foul on the person holding said stick.
- Pushing, whether with the stick or body part, is also going to be called. It is a major foul to displace another player. These will be penalized. If you have a game that you feel it is not being called please let your commissioner know and they will pass that information on to us and we will address it with the official.
- Pee Wees- Shooting space cannot be called until there have been 2 passes. One of the criteria for a shooting space call to be made is that the ball carrier has the opportunity to shoot. In pee wees they must have the 2 passes so therefore if they do not have the 2 passes they do not have the opportunity to shoot.

DISCIPLINE ACTION FOR UNSPORTSMANLIKE CONDUCT

- An ejected player, coach or parent will receive a minimum of an automatic two-game suspension; to be served during the next scheduled game, and probation for the remainder of the season. This punitive action may not be appealed. The ejected player, coach or adult must leave the immediate playing area and may not participate in the game in any manner.
- The coach is responsible for the conduct of any person connected with his team at all times. This includes conduct towards the officials. Abuse to an official or an opposing player by a fan with no attempt by the management of the team to eliminate it will be dealt with by the Department of Recreation and Parks.
- If a coach feels that a problem spectator(s) is not a team supporter, the coach should request the official to remove the spectator from the vicinity.
