The Honorable Peter Smith, Chair  
and Members of the County Council  
Anne Arundel County, Maryland  
The Arundel Center  
Annapolis, Maryland 21401

Dear Chairman Smith and Members of the County Council:

In May 2021, Anne Arundel County received notice that it would receive \$112,509,414 in funds from the United States Treasury provided through the American Recovery Plan Act. The County received the first installment payment of \$56,254,707 on May 19, 2021 and the second and final installment in the same amount on June 6, 2022.

The County Council passed Bill No. 111-21 and Bill No. 112-21 effective as of February 27, 2022. These bills require the Administration to keep the Council apprised of additional uses of these same funds beyond those planned in the annual budget ordinance. The bills also require that the Controller provide reports by the 20th day of each month describing all approvals and expenditures of projects awarded these funds. Both bills require the Controller to provide a final report on January 31, 2027.

This is the required financial report for the month ended August 31, 2023. Through that date, the County Administration has authorized 134 projects to begin spending up to \$102,656,699 of American Recovery Plan Act funding. Related spending through August 31, 2023 was \$74,651,324.17 and a further \$2,570,997.18 is encumbered to be spent. A summary of these projects and their spending is included with this letter. Four new projects were added in August and the project memo's are included with this submission.

In future monthly reports, I will provide you an update of the amounts spent and encumbered for all projects, including any new projects authorized. Those monthly reports will also provide you with additional memos for any new projects. If you have any questions about this report or the included summary and memos, please let me know.

Respectfully submitted,
