The Honorable Stuart Pittman  
County Executive  
Anne Arundel County  
The Arundel Center  
PO Box 2700  
Annapolis, MD 21404

Dear County Executive Pittman:

Anne Arundel Community College is requesting authority to increase its FY 2024 appropriation in the college's capital fund, Campus Improvements Project (J441200) by \$1,000,000. The source of this appropriation increase is college paygo.

This transfer is necessary to fund emergency repairs to the pedestrian bridge that connects the east and west side of the Arnold campus. During routine maintenance this summer, college staff discovered significant deterioration in the steel purlin supports to which the bridge decking is attached. The college has obtained an assessment from a structural engineering firm and based on the results of that assessment the bridge remains closed until necessary safety repairs are completed.

As always, thank you and your staff for your continued support. Please contact Melissa Beardmore at (410) 777-2532 or at [mabeardmore@aacc.edu](mailto:mabeardmore@aacc.edu) with any questions.

Sincerely,
