Anne Arundel County Department of Inspections and Permits Provides Guidance on Temporary Stormwater Management

The Department of Inspections and Permits is providing updated guidance on Temporary Stormwater Management (TSWM).

The updated guidance is in response to a revision of Section 7.1.7 of the Anne Arundel County Practices and Procedures Manual. It provides clarification, and additional guidance to help in the design, and review of TSWM, and specifically addresses outfall velocities and quantiles of flows during construction.

This guidance is effective for all new grading permit applications submitted on or after the date of the memo.

The [guidance memo](#) and supporting documentation is [attached](#).

For more information please contact Hala Flores, Engineer Manager at 410-222-7577 or ipflor22@aacounty.org.
