Health and Life Sciences Building and Jenkins Gymnasium

Discover the exciting programs AACC's School of Health Sciences offers!

Anne Arundel Community College's (AACC) three-story, 175,000-square-foot Health and Life Sciences Building features areas designed to resemble hospital rooms and medical exam rooms. Doors open at 5 p.m. Beginning at 5:30 p.m., you can tour the facility and interact with faculty and students by viewing demonstrations in our state-of-the-art simulation labs. Visit the redesigned fitness center in our gymnasium. Free seated massages (last massage at 7:45 p.m.), Health Sciences program and college partner informational tables, and AACC swag bags are part of the evening. Chick-fil-A will be open from 5:00-7:30 p.m. Visita guiada en Español a las 5:30 p.m.

Representatives from AACC's advising, admissions, financial aid and Health Science programs will be available to answer your questions.
