

ANNE ARUNDEL COUNTY TRANSIT DEVELOPMENT PLAN - PUBLIC MEETING

Overview

The Office of Transportation is hosting a public meeting to present the County's draft **Transit Development Plan (TDP)**, a component of the County's Transportation Master Plan, **[Move Anne Arundel!](#)**. This document will serve as the master plan for the transit services the county will implement over the next 5 years. These include expanded routes, electric vehicles, upgraded facilities, and new microtransit zones.

We would greatly appreciate public feedback so that we may better serve Anne Arundel County residents. The meeting will be in person and does not require registration. A link to the draft TDP is also available for public review and comment online at www.aacounty.org/transportation

**The meeting will be hosted at Discoveries:
The Library at the Mall from 6:00 PM to 7:30
PM on FEBRUARY 27th, 2024. All members of
the public are encouraged to attend and
participate.**
