

March 20, 2024

The Honorable Allison Pickard, Chairman  
and Members of the County Council  
Anne Arundel County, Maryland  
The Arundel Center  
Annapolis, Maryland 21401

Dear Chairman Pickard and Members of the County Council:

In May 2021, Anne Arundel County received notice that it would receive \$112,509,414 in funds from the United States Treasury provided through the American Recovery Plan Act. The County received the first installment payment of \$56,254,707 on May 19, 2021 and the second and final installment in the same amount on June 6, 2022.

The County Council passed Bill No. 111-21 and Bill No. 112-21 effective as of February 27, 2022. These bills require the Administration to keep the Council apprised of additional uses of these same funds beyond those planned in the annual budget ordinance. The bills also require that the Controller provide reports by the 20th day of each month describing all approvals and expenditures of projects awarded these funds. Both bills require the Controller to provide a final report on January 31, 2027.

This is the required financial report for the month ended February 29, 2024. Through that date, the County Administration has authorized 135 projects to begin spending up to \$105,086,032.00 of American Recovery Plan Act funding. Related spending through February 29, 2024 was \$82,251,739.05 and a further \$1,573,258.55 is encumbered to be spent. A summary of these projects and their spending is included with this letter. Also included is a memo prepared by the Office of the Budget related to one project added in February. The memo provides additional information about the scope of the new project that I hope you will find useful. The memos for projects approved in earlier months were included with previous monthly reports.

In future monthly reports, I will provide you an update of the amounts spent and encumbered for all projects, including any new projects authorized. Those monthly reports will also provide you with additional memos for any new projects. If you have any questions about this report or the included summary and memos, please let me know.

Respectfully submitted,

**Re: Federal Fiscal Recovery Funds - Proposal Amendment Approval**

Dear Mr. Murray:

I am pleased to inform you that the Budget Office, the Fiscal Recovery Funding Oversight workgroup, and County Executive Steuart Pittman have reviewed your request for modified funding related to the American Rescue Plan Act for Recruiting & Training School Bus Drivers, and that review was favorable. Your request was previously approved in the amount of \$2,207,400. The remaining funds, in the total amount of \$150,736, are to be expended consistent with your revised submission. The request is eligible for funding according to CFDA #21.027 and under US Treasury guidance, use category 3.3, Public Sector Workforce: Other.

Agencies should charge the costs related to this approved request to the grant business unit designated for spending in the approved FY24 County operating budget. If you need help identifying that business unit location, please contact your budget analyst, copied on this letter. If you need assistance with your purchasing needs, please do not hesitate to reach out to Catrice Parsons, Purchasing Agent, at [phpars22@aacounty.org](mailto:phpars22@aacounty.org) or 410-222-1714.

Please note that Fiscal Recovery Funds require detailed accounting and performance measures reporting. In addition, this approval is for the scope and duration specified in the application only. Any continuation or expansion after Fiscal Recovery Funds are exhausted will need to go through the annual budget process as a supplemental request.

On behalf of County Executive Steuart Pittman, thank you for your application to help county residents and best wishes for a successful implementation.

Sincerely,

  
Chris Trumbauer  
Budget Officer
