A public meeting has been scheduled for **Tuesday, May 14, 2024** from **6:00-7:00 pm** via the **ZOOM.US** platform to discuss the expansion of the parking lot at the Lula Scott Community Center located at 6243 Shady Side Road in Shady Side. This expansion will resolve a shortage of parking as well as improve ADA Accessibility.

During construction, Health Department services will not be available at this location. However, the Department of Aging will relocate services to the church across the street. The majority of the work will occur behind the Community Center, with the removal of the existing basketball court and playground. Occasional deliveries may cause traffic at times. Construction is expected to begin in early June and last approximately five months. We welcome your input on this project.
