A public meeting has been scheduled for **Thursday, June 13, 2024** from **6:00-7:00 pm** via the **ZOOM.US** platform to discuss the installation of a sidewalk along the south side of Valley Road between Wayward Drive and Knollwood Drive to improve pedestrian safety and provide a safe route to Rolling Knolls Elementary School. The work will occur within the County right-of-way.

We expect to begin constructing the sidewalk in August 2024 and complete it by the end of November 2024. Work will be done during weekdays and off-peak hours between 9:00 am and 3:00 pm, as well as when school is not in session. You can expect to see roadway traffic shifted to the north side to allow two-way traffic during construction. No road closures or detours are anticipated, but flagging operations and lane closures will be used to maintain traffic. We welcome your input on the proposed schedule.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.
