

CRITERIA FOR FIELD HOCKEY TEAMS FOR DIVISION PLACEMENT

A LEVEL PLACEMENT Most competitive level of play; Generally are teams consisting of players with the highest skill set.

B LEVEL PLACEMENT Teams generally are a combination of experienced and recreation players; Majority of players on a team seek higher skills / play level; Distribution of teams generally is about ½ recreational players and ½ skilled players.

C LEVEL PLACEMENT Truly a developmental league; Generally teams consist of players not seeking higher levels of competition; Emphasis is on participation and being apart of a team, and learning rather than winning games
