The Honorable Allison Pickard, Chair  
and Members of the County Council  
Anne Arundel County, Maryland  
The Arundel Center  
Annapolis, Maryland 21401

Dear Chair Pickard and Members of the County Council:

In May 2021, Anne Arundel County received notice that it would receive \$112,509,414 in funds from the United States Treasury provided through the American Recovery Plan Act. The County received the first installment payment of \$56,254,707 on May 19, 2021 and the second and final installment in the same amount on June 6, 2022.

The County Council passed Bill No. 111-21 and Bill No. 112-21 effective as of February 27, 2022. These bills require the Administration to keep the Council apprised of additional uses of these same funds beyond those planned in the annual budget ordinance. The bills also require that the Controller provide reports by the 20th day of each month describing all approvals and expenditures of projects awarded these funds. Both bills require the Controller to provide a final report on January 31, 2027.

This is the required financial report for the month ended July 31, 2024. Through that date, the County Administration has authorized 137 projects to begin spending up to \$104,725,104.32 of American Recovery Plan Act funding. Related spending through July 31, 2024 was \$90,189,345.91 and a further \$657,957.27 is encumbered to be spent. A summary of these projects and their spending is included with this letter. Also included are memos prepared by the Office of the Budget related to two projects added in July. The memos provide additional information about the scope of the new projects that I hope you will find useful. The memos for projects approved in earlier months were included with previous monthly reports.

In future monthly reports, I will provide you with an update of the amounts spent and encumbered for all projects, including any new projects authorized. Those monthly reports will also provide you with additional memos for any new projects. If you have any questions about this report or the included summary, please let me know.

Respectfully submitted,

A handwritten signature in blue ink that reads "Billie Penley".

Billie Penley, Controller

**Re: Federal Fiscal Recovery Funds - Proposal Approval**

Dear Ms. Leys:

I am pleased to inform you that the Budget Office, the Fiscal Recovery Funding Oversight workgroup, and County Executive Steuart Pittman have reviewed your request for funding related to the American Rescue Plan Act for the Park Renovation, and that review was favorable. Your request has been approved and the FY25 Approved Capital Budget and Program includes an appropriation in the total amount of \$1,000,000 to be expended consistent with your submission. Please note that this funding is available at start of the 2025 fiscal year, which began on July 1, 2024. The request is eligible for funding according to CFDA #21.027 and under US Treasury guidance, use category 2. Negative Economic Impacts; 2.22 Strong Healthy Communities: Neighborhood Features that Promote Health and Safety.

Your office should charge the costs related to this approved request to the Capital Project # P579000 Brooklyn Park Community Center designated for spending in the FY25 approved capital budget. If you need help identifying that capital project location, please contact your budget analyst, copied on this letter. If you need assistance with your purchasing needs, please do not hesitate to reach out to Kim Lee, Purchasing Agent, at [phlee200@aacounty.org](mailto:phlee200@aacounty.org) or 410-222-7668.

Please note that Fiscal Recovery Funds require detailed accounting and performance measures reporting. In addition, this approval is for the scope and duration specified in the application only. Any continuation or expansion after Fiscal Recovery Funds are exhausted will need to go through the annual budget process as a supplemental request.

On behalf of County Executive Steuart Pittman, thank you for your application to help county residents and best wishes for a successful implementation.

Sincerely,
