# Cost of Living Adjustments

# **Deferred Retirement Option Program**

Understanding DROP Benefit

# What is DROP?

DROP is a voluntary program that provides your monthly retirement benefits while you are an active employee for up to 7 years.

- 4.25% annual interest yield will be compounded monthly on your DROP account.
- Pension contributions stop after DROP entry.
- DODS years after the 3<sup>rd</sup> are subject to Appointing Authority approval.
- Fire and Police 6<sup>th</sup> and 7<sup>th</sup> year approvals needed for certain positions.

# What is the DROP Lump Sum account?

- The DROP Lump Sum account is the “account” established to record the DROP benefits for each DROP participant.
- An amount equal to the monthly retirement benefit, calculated at the time you entered DROP, plus applicable COLA’s, will be “credited” to your DROP Lump Sum “account.”
- A Final Lump Sum account worksheet will be provided at the time of retirement.

# DROP Eligibility

- Must have 20 years of **Actual Plan Service** as of the DROP election date selected
  - Disability leave, military or transferred service does not count.
- Must submit the application between 30 and 90 days prior to your DROP election date
- If you decide to not enter DROP you must rescind your application two weeks (14 days) prior to the DROP date selected
- If you rescind timely you will still be eligible to apply at a later date

# **DROP Early Exit Rules**

If you exit DROP for any reason before the end of the initial three years, the Lump Sum would be forfeited and an actuarial reduction would be applied to your pension for missed pension contributions during your DROP participation period, until all missed contributions are received by the County (not a lifetime reduction).

You will have the option to pay all the missed contributions within 30 days of ending your DROP participation or ending your County employment.

You will also have the option to pay the missed contributions through payroll deductions up to three years if you continue working with the County after you exit DROP.

# DROP Early Exit Rules

If you exit DROP after the end of the initial three years, but before the end of a renewal year, you would keep the Lump Sum for all full years completed in DROP and your pension would not be subject to an actuarial reduction.

If you exit DROP, you cannot participate in DROP again.

# Disability During DROP Rules

If you exit DROP due to a disability, you will forfeit any DROP lump-sum accumulated. Your disability pension will be calculated using the service/salary accrued while in DROP and an actuarial reduction will be applied to your monthly pension for missed contributions until all missed contributions are received by the County (not a lifetime reduction).

You will have the option to pay all missed contributions within 30 days of ending your DROP participation.

# Death During DROP

DROP Lump Sum as of the date of death is paid to the beneficiary regardless of Active or Non-Duty Death.

**Active Duty Death:** Pension will be calculated using service/salary accrued/earned while in DROP and your surviving spouse will take an actuarial offset in monthly income for your missed contributions.

**Non-Duty Related Death:** Pension will not be calculated using service/salary while in DROP. DROP pension will be adjusted for COLAs. No actuarial offset in surviving spouse benefit.

What will a DROP participant receive at the end of their DROP period?

- A participant will begin to receive the monthly retirement benefit that was calculated at the time they entered **DROP**, adjusted for any changes in the Disability Leave balance and applicable COLA's.
- The participant's **DROP** Lump Sum

# DISABILITY LEAVE CALCULATION

Disability Leave balance when you entered DROP is compared with the Disability Leave balance when you exit DROP.

- **If balance is:**
  - SAME: No Change to monthly pension**
  - LESS: Lower monthly pension**
  - GREATER: Higher monthly pension**
- Changes to your D/L balance DO NOT change your DROP Lump Sum benefit amount.

# Is DROP taxable?

- An amount equal to any Post-Tax contributions the participant made to the plan, if any, will result in a portion of the participant's DR
- OP Lump Sum being reported as Non-Taxable.
- The remaining amount in the DR
- OP Lump Sum account is considered to be Pre-Tax. This is taxable and will be reported as ordinary income in the year in which a participant receives the funds.
- Participants should consult with their attorney, tax professional or financial planner prior to the distribution of these funds.

# DROP LUMP SUM

- The participant must elect how they will receive their DROP Lump Sum account balance. You can:
- Elect Lump Sum paid to you: 20% Federal & 7.75% State taxes are withheld at payment. IRS imposes a 10% tax penalty if the separation date from DROP service occurred before the calendar year in which Participant attains age 50 for Fire, Police, and Deputy Sheriffs, or age 55 for Detention Officers and Category II DODS participants
- Elect Lump Sum rollover to an IRA or eligible qualified plan (avoiding taxes and penalties)
- Elect a partial Lump Sum, the balance rolled over to IRA or eligible tax-deferred qualified plan. Post-Tax amount paid to you; Pre-Tax amount rolled over

**Note that the AACO 457(b) Plan is the ONLY rollover option which would allow post-rollover DROP distributions before 59½ without a 10% tax penalty for Fire, Police, and Deputy Sheriffs.**

**REMEMBER**

**YOUR DROP ACCOUNT**

**STOPS**

**EARNING INTEREST**

**AS OF THE DATE YOU EXIT DROP**

# **T. Rowe Price**

Entering DROP is a great  
time to increase your  
contribution to the  
Anne Arundel County 457(b)  
Deferred Compensation Plan

# **FINAL STAGE COMPLETING THE RETIREMENT PROCESS**

# What do I do?

- Schedule a counseling session 4-8 weeks prior to your retirement date
- Review the final figures and paperwork sent to you by the analyst (Analyst will send paperwork 60 days prior to DROP exit date to DROP participants)
- Decide what you intend to do with the DROP lump-sum
- Notify your employer at least 2 weeks prior to retirement
- Locate copies of your marriage certificate (if applicable) as well as proof of birth for both you and your spouse. Birth certificates are required for all dependents covered on your retiree insurance.

# Reemployment After Retirement

County policy requires that a retiree be removed from the County payroll for at least 30 days before being reemployed.

No offer of re-employment should be discussed by you and your employer prior to retirement.

# Reemployment After Retirement

Reemployment with an Anne Arundel County Pension System participating employer:

If you are reemployed with the County after you retire your retirement benefit will be offset

**\$1.00 for every \$2.00**

you earn as a rehired retired employee.

# Exceptions to Reemployment Offset

- Rehired with the County in a contractual agreement to work 1500 hours or less per Calendar Year;
- Rehired with the County in a grant funded position regardless of hours;
- Rehired with the County with the Office of the State's Attorney or the Office of the Sheriff in a position that requires the employee to be certified as a Police Officer by the Police Training Commission. Note: Retiree must have been certified as a Police Officer by the PTC at the time the employee retired.

NOTE: Certain employees who retired from certain exempt positions may still incur an offset.

# **NEW Exceptions to the Reemployment Offset**

- A classified employee who retired from the County and is rehired after 90 days of retirement can be reemployed as a classified employee without a reduction in their pension if reemployed in a different job classification than that which the retiree held at the time of retirement.
- If the retiree described above was a uniformed officer, then they can be reemployed as a classified employee without a reduction in their pension if reemployed as a non-uniformed officer or in a different department from which the retiree retired after 90 days of retirement.
- Employees rehired under these exceptions DO NOT accrue a new pension benefit during the period of reemployment.

# IAFF/Battalion Chief DROP Retirees- Reemployment

DROP Participants who were represented by IAFF or Battalion Chiefs Union upon retirement from DROP are subject to an offset in their pension regardless of the employment accepted with a participating County employer.

There are currently no reemployment offset exceptions at this time.

# Reemployment After Retirement

If you receive a Normal or Early retirement and accept employment with the private sector or with a non-participating employer:

**NO REDUCTION IN YOUR PENSION  
AND NO RESTRICTIONS**
