## Leave

Accrual Per Calendar Month\*

## **Annual Leave** (Years of Continuous Service)

Officer, POFC, Corporal, Sergeant

0 but less than 5 0.83 (10 days per year)

5 but less than 10 1.24 (15 days per year)

10 but less than 20 1.67 (20 days per year)

20 years or more 2.08 (25 days per year)

\*Although leave is accrued on a pay period basis, an employee's leave balance is frontloaded at the beginning of the year. In addition to the leave listed above, employees receive 16 days of additional annual leave instead of holidays.

At the end of the calendar year, unused annual leave over 280 hours is converted to Disability Leave (Sick Leave).

# **Disability Leave** (Sick Leave)

Employees earn 15 Days a calendar year. There is no cap on the amount of sick leave that can be converted to credited service for the pension. For example, if an officer retires after 20 years and never uses a day of earned sick leave, he/she would have 300 days of sick leave, which adds 1 year and 2 months of service to the officer's pension benefit calculation.

# Comp Time (Compensatory Leave Time instead of Cash Overtime)

Officers may accumulate up to 480 hours. Officers may cash out up to 240 hours at the end of each fiscal year or roll over into the following year.
