

COUNTY COUNCIL OF ANNE ARUNDEL COUNTY, MARYLAND

Legislative Session 2025, Legislative Day No. 4

Resolution No. 7-25

Introduced by Ms. Rodvien

By the County Council, February 18, 2025

1       RESOLUTION urging members of the General Assembly to support House Bill 232  
2       and Senate Bill 346 in furtherance of increasing the recycling and reuse of beverage  
3       containers, and reducing litter and pollution

4  
5       WHEREAS, the persistence of litter on community roadways, parks, and  
6       waterways degrades our precious habitats, fouls our waterways, remains a danger  
7       to wildlife, and creates unsightly and hazardous environments; and

8  
9       WHEREAS, the County Council is a great supporter of protecting and improving  
10      our natural environment, as well as the beautification of our communities; and

11  
12      WHEREAS, approximately 5.2 billion beverage containers are sold in Maryland  
13      every year, and, despite the widespread availability of curbside recycling, only 23%  
14      of those containers are recycled; and

15  
16      WHEREAS, at this time 10 states have passed legislation to incentivize the return  
17      of beverage containers to redemption centers, with 9 of these 10 states boasting the  
18      highest recycling rates in the country; and

19  
20      WHEREAS, establishing greater incentives to recycle beverage containers in  
21      Maryland would reduce the beverage container litter, increase the quality of  
22      recycled material going to market, and result in savings to taxpayers and local  
23      governments; and

24  
25      WHEREAS, the General Assembly is currently considering House Bill 232 and  
26      Senate Bill 346, also known as The Beverage Container Recycling Refund and  
27      Litter Reduction Bill, that would create a self-financed program to provide reverse  
28      vending machines for convenient redemption; now, therefore, be it

29  
30      *Resolved by the County Council of Anne Arundel County, Maryland, That it hereby*  
31      urges members of the General Assembly to support House Bill 232 and Senate Bill 346 in  
32      furtherance of increasing the recycling and reuse of beverage containers, and reducing litter  
33      and pollution; and be it further

34  
35      *Resolved, That a copy of this Resolution be sent to Governor Wes Moore; the Anne*  
36      Arundel County Senate Delegation of the Maryland General Assembly; and the Anne  
37      Arundel County House Delegation of the Maryland General Assembly.
