

SEVERN RIVER COMMISSION MEETING
March 6, 2025 – 4:00 P. M.

A G E N D A

Severn River Commission Mission Statement: The purpose of the Severn River Commission shall be to provide counsel and advice to Anne Arundel County, the City of Annapolis, and the State of Maryland on environmental and other matters within the Severn River Watershed. It shall further be their aim to coordinate and promote active community involvement in the environmental matters of the Severn River Watershed. For the purposes of definition, environmental matters shall include but not be limited to, natural resources, water and air quality, groundwater, noise, energy sources, wildlife, and other natural aspects of the environment, and the relationship of health to ambient environmental quality.
