

Precinct 04-099 Revision

Proposal:

Rename precinct 04-099 to 04-025 to align with the naming conventions with other active precincts in the district.

Precinct 04-099 was a “ghost precinct”, meaning it previously had no valid residential streets for voter registration. A new apartment complex was recently completed in this precinct, the street files are being updated, and voter registrations are occurring for this precinct. Therefore, it is no longer a “ghost precinct”, which creates a 196th active precinct as 04-025. As part of this process, the legal description for this precinct will be updated to reflect the change.
