PUBLIC MEETING ANNOUNCEMENT

WHO: Anne Arundel County Department of Public Works (DPW)

WHAT: Belvedere Elevated Water Storage Tank (EWST) Demolition
Project #W753416

WHEN: May 27, 2025 - 6:00PM-7:00PM

WHERE: Broadneck Library
1275 Green Holly Drive
Annapolis, MD 21409

A public meeting has been scheduled from 6:00 PM-7:00 PM on May 27, 2025 at the Broadneck Library to discuss plans to demolish the Belvedere EWST at 315 Buena Vista Avenue, Arnold and replace it with a communications tower.

The existing tank currently has antennas for our monitoring system for water and wastewater facilities, as well as antennas for cell carriers. During construction of the project, a temporary antenna will be installed on a mobile structure to mitigate potential communications loss.

The tank is currently not in service, and the project will not disrupt water service. The project is expected to begin in April 2026 and is anticipated to take six months to nine months to complete. A road closure in front of the tank may be necessary during construction. If this is required, a detour will be posted. Access to homes will be maintained during this duration.
