A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Thursday, May 29 via Zoom to discuss plans to build a new two-story, 18,484-square-foot clubhouse at Eisenhower Golf Course, 1576 Generals Highway, Crownsville.

The clubhouse is currently in a double-wide trailer, which will be removed during construction. A new single-wide trailer will serve as a temporary clubhouse during the work, which is slated to begin this summer and be completed by fall 2026.

The number of parking spaces will be reduced during construction, but the County will work with the contractor so as few spaces as possible are impacted. Ultimately, 30 spaces will be added as part of the project. Work will take place from 7 a.m. to 3 p.m. Monday through Friday.

Residents to the southeast of the lower parking lot may see tree clearing for expansion of the lot. There will also be construction noise and dump trucks entering and existing the golf course. No lane closures on Generals Highway are planned.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.
