**ANNUAL SPECIAL TAX REPORT
FISCAL YEAR 2025-2026**

INTRODUCTION

The \$22,500,000 Anne Arundel County, Maryland Special Tax District Bonds (The Arundel Gateway Project), Series 2014 Bonds (the “Series 2014 Bonds”) were issued pursuant to the provisions of Sections 21-501 through 21-519 of the Local Government Article of the Annotated Code of Maryland, as amended, and Sections 4-8-101 through 4-8-106, inclusive, of the Anne Arundel County Code, as amended (collectively, the “Act”) and Bill No. 16-12 enacted by the County Council of the County (the “County Council”) on March 19, 2012, approved by the County Executive of the County (the “County Executive”) on March 26, 2012, and effective on May 10, 2012 (the “Ordinance”), and pursuant to an Indenture of Trust by and between Anne Arundel County, Maryland (the “County”) and Manufacturers and Traders Trust Company (the “Trustee”), dated as of August 1, 2014 (the “Indenture”).

The Series 2014 Bonds will mature on July 1, 2044, subject to mandatory and optional redemption and purchase prior to maturity as described in the Indenture and herein. The Series 2014 Bonds were initially issued as “draw down” bonds, the principal of which increased upon each advance or were deemed advanced of the proceeds thereof as provided in the Indenture and Development Agreement. The Series 2014 Bonds were initially issued in the stated maximum principal amount of \$22,500,000, with an additional \$2,500,000 of the Series 2014 Bonds available to be issued, as provided under the Indenture. All or a portion of the Series 2014 Bonds will be subject to remarketing on a Conversion Date, as defined in the Indenture, at which time the interest rate on the Series 2014 Bonds will be converted to a Fixed Rate to Maturity Mode, as defined in the Indenture.

Per the Indenture commencing on July 1, 2017, the Series 2014 Bonds that have not been converted to the Fixed Rate to Maturity Mode in accordance with Section 2.03 shall bear interest at the Interim Rate. The Interim Rate, as defined by the Indenture, means the lower of (a) seven percent (7.00%) and (b) the Municipal Market Data Index for general obligation bonds maturing in 2044 and having a "AAA" credit rating published by Thomson Reuters in the Thompson Municipal Market Monitor or, if such index is no longer published, a comparable index selected by the County, in each case as published on the most recent date on or prior to April 3, 2017 plus 300 basis points. Accordingly, the Interim Rate was calculated to be 6.00% and has been appropriately applied. As of the date of this report, none of the Series 2014 Bonds have been converted to the Fixed Rate Maturity Mode and since the bond year ending July 1, 2018 the Series 2014 Bonds have been paying interest based on the Interim Rate of 6.00%

On April 18, 2022, the County approved and recognized a Mandatory Prepayment of Special Taxes and an optional prepayment of Special Taxes by Watershed Elm, L.C., which was implemented by a payment of cash by Watershed Elm, L.C. in the amount of \$20,000, the

cancellation and special mandatory redemption of \$11,685,000 principal amount of the Series 2014 Bonds owned by Watershed Elm, L.C., and a \$970,000 reduction in the additional bonds authorized to be issued.

The outstanding Series 2014 Bonds are secured by the proceeds of a special tax to be levied on all taxable parcels within the Arundel Gateway Special Taxing District (the “District”) created pursuant to the Ordinance. This report has been prepared to explain the methodology used to calculate the special tax rates at which property will be taxed in the District for Fiscal Year 2024-2025. Pursuant to the Rate and Method of Apportionment of Special Taxes (the “Rate and Method”) for the District, a special tax has been levied and will be collected from each parcel of taxable property in the District each fiscal year beginning with Fiscal Year 2012-2013 and continuing through the Termination Date, which is defined in Section F of the Rate and Method as the earlier of (i) the repayment or defeasance of the Series 2014 Bonds, (ii) the 30th fiscal year in which such parcel was taxed as Developed Property (defined herein), and (iii) such time provided for in the Indenture.

The special tax rates for Fiscal Year 2025-2026 are shown in Appendix A, attached hereto. The special tax levied on each parcel in the District is shown in Appendix B, which follows Appendix A. The special tax levied on each parcel is based upon the status of construction completion as further described herein and upon the parcel’s classification as of the Date of Classification (defined herein), as defined in the Rate and Method and the special tax rates shown in Appendix A.

SPECIAL TAX REQUIREMENT

According to Section C(1) of the Rate and Method, the Special Tax Requirement shall be an amount equal to:

(A) the amount required in any fiscal year to pay: (1) debt service and other periodic costs (including deposited to any sinking funds) on the bonds to be paid from the special tax collected in such fiscal year (including debt service and other periodic costs on any bonds which were payable in any previous fiscal year but were not paid in such fiscal year), (2) administrative expenses to be incurred in the fiscal year or incurred in any previous fiscal year and not paid in such fiscal year, (3) any amount required to replenish any reserve fund established in association with any bonds, (4) a contingency, which may include an amount equal to the estimated delinquencies expected in payment of the special tax not otherwise taken into account or amounts required to establish or maintain any reserves, and (5) the costs of remarketing, credit enhancement, bond insurance, and liquidity facility fees (including such fees for instruments that serve as the basis of reserve fund related to any indebtedness in lieu of cash) (including such costs that were payable in any previous fiscal year but were not paid in such fiscal year), less (B)(1) any credits available pursuant to the Indenture, such as capitalized interest, reserves, and investment earnings on any account balances (including available investment earnings on funds on deposit in the reserve funds under the Indenture), and (2) any other revenues available to apply to the Special Tax Requirement.

Table A below provides a summary of the Special Tax Requirement for Fiscal Year 2025-2026. The Special Tax Requirement for Fiscal Year 2025-2026 is equal to \$771,000. The calculation of this amount is explained in the following sections.

Table A
Special Tax Requirement

Expenses:	
Debt service:	
Interest payment due on January 1, 2026	\$309,000
Interest payment due on July 1, 2026	\$309,000
Principal payment due on July 1, 2026	\$145,000
<i>Sub-total debt service</i>	<i>\$763,000</i>
Administrative expenses for Fiscal Year 2025-2026	\$39,000
Contingency	\$20,306
Total expenses	\$822,306
Available Funds:	
Surplus from prior year	(\$51,306)
Total available funds	(\$51,306)
Special Tax Requirement for Fiscal Year 2025-2026	\$771,000

Debt Service

Series 2014 Bonds in the amount of \$10,300,000 are outstanding for purposes of calculating the Special Tax Requirement for Fiscal Year 2025-2026. The Series 2014 Bonds outstanding reflect the annual sinking fund payments through July 1, 2024 in the aggregate amount of \$385,000, the special mandatory redemption of \$15,000 in Series 2014 Bonds associated with the prepayment of the special tax by one property owner, and the special mandatory redemption of \$11,685,000 associated with the prepayment of the special tax for certain parcels by Watershed Elm, L.C.

Debt service on the Series 2014 Bonds includes the interest payable on January 1, 2026 and July 1, 2026. Each interest payment in the amount of \$309,000 is equal to six months of interest on the outstanding Series 2014 Bonds of \$10,300,000 at an interest rate of 6.00% per annum. There is a principal payment due on July 1, 2026 of \$145,000. As a result, aggregate debt service is \$763,000 (\$309,000 + \$309,000 + \$145,000 = \$763,000).

Administrative Expenses

Administrative expenses include the fees of the Trustee, the expenses of the County related to the District and the expenses of the Administrator. The annual charges of the Trustee are estimated to be \$4,000. The expenses of the County are estimated to be \$10,000. The County has also estimated annual legal expenses of \$5,000 for Fiscal Year 2025-2026.

According to Appendix B of the Agreement for Administrative Services between the Administrator and Anne Arundel County, administrative service shall be provided on a time and material basis pursuant to the Administrator's hourly fee schedule. For Fiscal Year 2025-2026, the Administrator has estimated this amount to be \$20,000. Accordingly, total administrative expenses are estimated to be \$39,000 ($\$4,000 + \$10,000 + \$5,000 + \$20,000 = \$39,000$) for Fiscal Year 2025-2026.

Contingency

A contingency, of approximately 2.53% of annual debt service and administrative expenses, has been added to the budget in the event of special tax delinquencies or unanticipated expenses.

Surplus from Prior Year

The estimated surplus from the prior year is shown in Table B on the following page. As shown in Table B, the estimated surplus from Fiscal Year 2024-2025 is \$51,306.

Remaining debt service expenses for Fiscal Year 2024-2025 includes the debt service due on July 1, 2025, which is comprised of an interest payment of \$312,450 and a principal payment of \$115,000. As a result, the total debt service remaining for Fiscal Year 2024-2025 is equal to \$427,450 ($\$312,450 + \$115,000 = \$427,450$).

As of February 28, 2025, the balance in the Administrative Expense Fund was \$144. It is estimated that administrative expenses in the amount of \$23,089 remain to be paid for Fiscal Year 2024-2025. As a result, the balance of the Administrative Expense Fund will be used to pay a portion of the remaining Fiscal Year 2024-2025 administrative expenses.

Special taxes in the amount of \$481,001 were billed for Fiscal Year 2024-2025. As of January 21, 2025, the County reports that special taxes in the amount of \$480,458 have been collected. As of the same date, special taxes in the amount of \$299,132 have been transferred to the Debt Service Fund. As a result, Fiscal Year 2024-2025 special taxes of \$181,325 remain to be remitted to the Debt Service Fund, which are anticipated to be transmitted by the County to the Trustee in advance of the July 1, 2025 debt service payment.

As of February 28, 2025, the balance in the Debt Service Fund was \$321,538. This amount includes special taxes and investment income in the aggregate amount of \$320,376 and the remaining balance of a special tax prepayment by one homeowner in the amount of \$1,162. The remaining balance of the special tax prepayment will be used to redeem Series 2014 Bonds at a future date. Accordingly, the available balance of the Debt Service Fund is \$320,376. It is anticipated that the available balance of the Debt Service Fund, together with the special taxes to be remitted, will be made available to pay the remaining expenses for Fiscal Year 2024-2025 and a portion of the Fiscal Year 2025-2026 expenses.

Table B
Surplus from Prior Year

Remaining Expenses:	
Debt service:	
Interest payment due on July 1, 2025	\$312,450
Principal payment due on July 1, 2025	\$115,000
<i>Sub-total debt service</i>	<i>\$427,450</i>
Remaining administrative expenses for Fiscal Year 2024-2025	\$23,089
Total expenses	<i>\$450,539</i>
Available Funds:	
Fiscal Year 2024-2025 special taxes to be remitted	<i>(\$181,325)</i>
Balance of the Debt Service Fund as of February 28, 2025	<i>(\$320,376)</i>
Balance of the Administrative Expense Fund as of February 28, 2025	<i>(\$144)</i>
Total available funds	<i>(\$501,845)</i>
Surplus from prior year	<i>(\$51,306)</i>

As shown in Table B above, the funds available to the District exceed remaining Fiscal Year 2024-2025 expenses by \$51,306. This surplus may be made available to reduce the Special Tax Requirement for Fiscal Year 2025-2026.

Summary of the Special Tax Requirement

The total expenses of the District for Fiscal Year 2025-2026 are estimated to be \$822,306. The funds available to pay the expenses of the District are estimated to be \$51,306. As a result, the Special Tax Requirement for Fiscal Year 2025-2026 is equal to \$771,000 (\$822,306 – \$51,306 = \$771,000).

METHOD OF LEVYING THE SPECIAL TAX

Classification of Property

Pursuant to the Rate and Method, special taxes are to be levied each year based on the classification of property in the District. The Rate and Method specifies the following classifications for property in the District:

- I. Public Property
- II. Owner Association Property
- III. Taxable Property:
 - A. Developed Property:
 - 1. Rental Residential
 - 2. For Sale Residential
 - 3. Commercial
 - B. Undeveloped Property

Public property and owner association property (*i.e.*, property owned by an association) are not subject to special taxes. Undeveloped and Developed Property is subject to special taxes, as described in the balance of this report. Pursuant to Section A of the Rate and Method, property is classified each fiscal year on a date determined by the County. For Fiscal Year 2025-2026, the Date of Classification is March 28, 2025.

As of the Date of Classification, the total parcel count of the District was 1,003, of which the special tax has been prepaid on 117 parcels and 90 parcels had been classified as exempt, which results in 796 taxable parcels. The total prepaid parcels includes the mix of 634 units of Rental Residential Property, 420 units of For Sale Residential Property, and 37,500 building square feet of Commercial Property. Prepaid parcels are not subject to the special tax for Fiscal Year 2025-2026 or any future fiscal year.

Developed Property is Taxable Property for which a building permit has been issued that allows the construction of a structure intended for use or occupancy. Undeveloped Property includes all Taxable Property that is not Developed Property. As of the Date of Classification, a total of 514 building permits have been issued for parcels of Taxable Property within the District. Taxable Property excludes parcels for which the special tax has been prepaid. As a result, for Fiscal Year 2025-2026, 514 parcels of Taxable Property within the District will be classified as Developed Property and 282 parcels of the Taxable Property within the District will be classified as Undeveloped Property.

Pursuant to Section C(3) of the Rate and Method, commencing with Fiscal Year 2012-2013 and for each following fiscal year through the Termination Date, the special tax shall be collected as follows:

First: Prior to the completion of construction, the special tax shall be collected from each parcel of Developed Property at the Assigned Special Tax for such property. Subsequent to the completion of construction, the special tax shall be collected proportionately from each parcel of Developed Property up to the Assigned Special Tax for such property to the extent necessary to fund the Special Tax Requirement.

Second: If additional monies are needed to fund the Special Tax Requirement after the first step has been completed, the special tax shall be collected proportionately from each parcel of undeveloped property up to 100% of the Maximum Special Tax for such property, to the extent necessary to fund the Special Tax Requirement.

Third: If additional monies are needed to fund the Special Tax Requirement after the second step has been completed, the special tax shall be collected proportionately from each parcel of Developed Property up to 100% of the Maximum Special Tax for such property, to the extent necessary to fund the Special Tax Requirement.

Completion of Construction

Following a series of discussions with the County in April 2024 and further evidenced by an executed Estoppel Certificate related to the project, it was determined that the completion of the public improvements financed by bond proceeds had been sufficiently satisfied and therefore the requirements related to the completion of construction as referenced in the RMA had also been satisfied. As a result, special taxes will be collected proportionately from each parcel of Developed Property up to the Assigned Special Tax to the extent necessary to fund the Special Tax Requirement for Fiscal Year 2024-2025 and all subsequent years through the life of the bonds.

If additional monies are needed to fund the Special Tax Requirement after allocation of the required amount against Developed Property is completed, the special tax will be collected proportionately from each parcel of Undeveloped Property up to 100 percent of the maximum special tax for such property, to the extent necessary to fund the Special Tax Requirement.

Developed Property Special Taxes

As of the Date of Classification for Fiscal Year 2025-2026, building permits have been issued for 514 parcels of Taxable Property classified as For Sale Residential Property. As a result, for purposes of levying and collecting special taxes for Fiscal Year 2025-2026, 514 parcels will be classified as Developed Property.

In accordance with Section B of the Rate and Method, the Assigned Special Tax for each fiscal year shall be increased to 102% of the respective Assigned Special Tax in effect in the previous fiscal year. Table C below shows the Assigned Special Tax rates for parcels of Developed Property for Fiscal Year 2025-2026, which are equal to 102% of the Assigned Special Tax rates in effect for Fiscal Year 2024-2025.

Table C
Developed Property Assigned Special Tax Rates

Property Classification	Assigned Special Tax Rates
Rental Residential	\$862.84 per unit
For Sale Residential	\$1,690.74 per unit
Commercial Property	\$1,208.22 per 1,000 BSF

As previously mentioned, upon discussions with the County in April 2024, it was determined that the requirements related to the Completion of Construction have been satisfied. As such, pursuant to the Rate and Method, special taxes will be collected proportionately from each parcel of Developed Property up to the Assigned Special Tax to the extent necessary to fund the Special Tax Requirement for Fiscal Year 2025-2026. If additional monies are needed to fund the Special Tax Requirement after this step is completed, the special tax will be collected proportionately from each parcel of Undeveloped Property up to 100 percent of the maximum special tax for such property, to the extent necessary to fund the Special Tax Requirement.

The Special Tax Requirement for Fiscal Year 2025-2026 is equal to \$771,000. Special taxes will be levied proportionately on each parcel of Developed Property at a proportionate rate

of 88.7185492742823% of the assigned special tax rates for Developed Property. The proportionate rate is calculated by dividing the Special Tax Requirement (\$771,000.00) by the aggregate maximum special tax (\$869,040.36).

As shown in Table D below as well as in Appendix A, this results in a special tax per unit of \$765.50 ($\$862.84 \times 88.7185492742823\% = \765.50) for Developed Rental Residential Property, \$1,500.00 ($\$1,690.74 \times 88.7185492742823\% = \$1,500.00$) for Developed For Sale Residential Property, and \$1,071.92 ($\$1,208.22 \times 88.7185492742823\% = \$1,071.92$) for Developed Commercial Property.

Table D
Developed Property Proportional Assigned Special Tax Rates

Property Classification	Proportional Assigned Special Tax Rates
Rental Residential	\$765.50 per unit
For Sale Residential	\$1,500.00 per unit
Commercial Property	\$1,071.92 per 1,000 BSF

At these rates, aggregate special taxes in the amount of \$771,000.00 will be billed to parcels of Developed Property in the District for Fiscal Year 2025-2026.

Undeveloped Property Special Tax Rates

According to the Rate and Method, the Maximum Special Tax for any fiscal year for each parcel classified as Undeveloped Property shall be determined by the following formula.

$$A = (B - C) \times (D \div E)$$

Where the terms have the following meanings:

- A = the Maximum Special Tax for a parcel of Undeveloped Property;
- B = the District Maximum Special Tax;
- C = the Maximum Special Taxes on all parcels of Developed Property;
- D = the net land area of the parcel for which the special tax is being calculated; and
- E = the net land area of all of the parcels of Undeveloped Property.

The Rate and Method provides for a District Maximum Special Tax equal to \$1,462,954.30 for Fiscal Year 2025-2026, which is equal to 102% of the District Maximum Special Tax in effect for Fiscal Year 2024-2025.

Special taxes are to be levied proportionately on Undeveloped Property up to the Maximum Special Tax for such property, to the extent necessary to fund the Special Tax Requirement not paid by Developed Property. As mentioned above, 282 Taxable Parcels in the District has been classified as Undeveloped Property for Fiscal Year 2025-2026. The District Maximum Special

Tax for Fiscal Year 2025-2026 is equal to \$1,462,954.30. The Maximum Special Tax for Developed Property is equal to \$955,474.60. Accordingly, the Maximum Special Tax for the Undeveloped Property is equal to \$507,479.70 ($\$1,462,954.30 - \$955,474.60 = \$507,479.70$).

The Special Tax Requirement for Fiscal Year 2025-2026 is \$771,000.00. As previously mentioned due to completion of construction trigger being met and the sufficiency of revenue requirement generated from the 514 developed parcels, the full amount of the Special Tax Requirement equal to \$771,000.00 will be billed to the parcels of Developed Property within the District. As a result, and as shown in Appendix A and B, \$0.00 will be collected from the 282 parcels of Undeveloped Property within the Arundel Gateway Special Taxing District.

Special Tax Roll

As shown in Appendix B, there are a total of 1,003 parcels in the District, of which 90 are open space, flood plain, rights-of-way, County owned, or non-taxable (Exempt) and 117 are Prepaid. As a result, there are 796 parcels (514 Developed and 282 Undeveloped) of Taxable Property in the District. These parcels are shown by unit type and property class, Developed or Undeveloped, for Fiscal Year 2025-2026 in the Special Tax Roll, attached hereto as Appendix B.

SUMMARY

The Special Tax Requirement for Fiscal Year 2025-2026 is equal to \$771,000.00. The special tax rate for each property classification in the District for Fiscal Year 2025-2026 is shown in Appendix A. Appendix B lists the parcels of Taxable Property in the District as of the Date of Classification, the classification of each parcel, and special tax to be levied, and collected on each parcel for Fiscal Year 2025-2026. The special tax levied on each parcel is based on the special tax rates shown in Appendix A and the classification of each parcel based on its status as of the Date of Classification.
