　　　　　　　Passcode: 05183226

A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Thursday, June 26, 2025 via Zoom to discuss plans to upgrade the Severn Run Sewage Pumping Station located at 1501 Old Mill Road, Severn, with new pumps, piping, valves, and electrical equipment and instrumentation. This will improve the reliability of the sewage collection system.

Sewer service won't be interrupted because bypass pumps will be utilized during the work, which is expected to begin in September and be completed in winter, 2027. Construction hours will be from 6:30 a.m. to 4 p.m. Monday through Friday. No lane closures are anticipated, although there will be increased truck traffic on Old Mill Road and residents might hear construction noise.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.

Las personas que necesiten servicios de interpretación de idiomas deben ponerse en contacto con el servicio de atención al cliente del DPW al 410-222-7582, o por correo electrónico a pwcust00@aacounty.org, al menos con siete días de antelación al evento. Todo el material escrito estará disponible en el idioma deseado si se solicita.
