ANNUAL SPECIAL TAX REPORT FISCAL YEAR 2025-2026

INTRODUCTION

The \$26,170,000 Anne Arundel County, Maryland Special Tax District Refunding Bonds (The Villages at Two Rivers Project), Series 2025 (the "2025 Bonds") were issued pursuant to the provisions of Subtitle 5 of Title 21 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2016 Supplement) (formerly Section 9-1301 of Article 24 of the Annotated Code of Maryland, as amended (collectively, the "Act") and Bill No. 88-24 enacted by the County Council of the County on December 2, 2024, approved by the County Executive of the County on December 6, 2024, and effective on January 20, 2025 (the "Refunding" Ordinance"), and an Indenture of Trust by and between Anne Arundel County, Maryland (the "County") and Manufacturers and Traders Trust Company (the "Trustee"), dated as of May 1, 2013, as amended and supplemented, including by a Second Supplemental Indenture of Trust dated as of February 1, 2025 (as so amended and supplemented, the "Indenture"). The Bonds were issued to refund the County's Special Taxing District Bonds, Series 2014 (the "2014 Bonds") which were issued to purchase and convert the County's \$2,000,000 Series 2013A Bonds (the "2013A Bonds") and to finance or refinance a portion of the costs of certain public infrastructure improvements constructed or installed within the Two Rivers Special Taxing District (the "District") or adjacent to and related to the development of the District, which was created pursuant to Bill No. 85-10 passed by the County Council of the County on October 10, 2010, approved by the County Executive of the County on October 18, 2010 and effective on December 6, 2010 (the "District Ordinance" and, together with the Refunding Ordinance, the "Ordinances").

Pursuant to the Rate and Method of Apportionment of Special Taxes for the District (the "Rate and Method"), a special tax has been levied and will be collected from each parcel of taxable property in the District each fiscal year beginning with Fiscal Year 2011-2012 and continuing through the Termination Date, which is defined in Section F of the Rate and Method as the earlier of (i) the repayment or defeasance of the Bonds, (ii) the 30th fiscal year in which such parcel was taxed as Developed Property (defined herein), and (iii) such time provided for in the Indenture.

This report has been prepared to explain the methodology used to calculate the special tax rates at which property will be taxed in the District for Fiscal Year 2025-2026. The special tax rates are shown in Appendix A. The special tax to be billed and collected from each parcel in the District is shown in Appendix B. As further explained herein, the special tax billed to each parcel is based on the parcel's classification as of the Date of Classification (defined herein) and the special tax rates shown in Appendix A.

REFUNDING AND REDEMPTION OPPORTUNITIES

The first optional call date on the Bonds is July 1, 2034. Under federal tax law, tax exempt bonds may be refunded no sooner than 90 days prior to the call date. MuniCap, Inc. (the

"Administrator") can complete an evaluation to determine the feasibility of a refunding prior to the first optional call date or anytime thereafter. In order for the Administrator to complete such an evaluation, when timing is appropriate, written authorization should be provided by the County. The Administrator will continue to monitor conditions related to special mandatory redemption of the Series 2025 Bonds in accordance with the provisions of the Indenture and the Rate and Method.

SPECIAL TAX REQUIREMENT

According to Section C(1) of the Rate and Method, the Special Tax Requirement shall be an amount equal to:

(A) the amount required in any fiscal year to pay: (1) debt service and other periodic costs (including deposited to any sinking funds) on the Bonds to be paid from the special tax collected in such fiscal year (including debt service and other periodic costs on any Bonds which were payable in any previous fiscal year but were not paid in such fiscal year), (2) administrative expenses to be incurred in the fiscal year or incurred in any previous fiscal year and not paid in such fiscal year, (3) any amount required to replenish any reserve fund established in association with any Bonds, (4) a contingency, which may include an amount equal to the estimated delinquencies expected in payment of the special tax not otherwise taken into account or amounts required to establish or maintain any reserves, and (5) the costs of remarketing, credit enhancement, bond insurance, and liquidity facility fees (including such fees for instruments that serve as the basis of reserve fund related to any indebtedness in lieu of cash) (including such costs that were payable in any previous fiscal year but were not paid in such fiscal year), less (B)(1) any credits available pursuant to the Indenture, such as capitalized interest, reserves, and investment earnings on any account balances (including available investment earnings on funds on deposit in the reserve funds under the Indenture), and (2) any other revenues available to apply to the Special Tax Requirement.

Table A on the following page provides a summary of the Special Tax Requirement for Fiscal Year 2025-2026. As shown in Table A, the Special Tax Requirement for Fiscal Year 2025-2026 is equal to \$1,604,000. The Special Tax Requirement for Fiscal Year 2025-2026 is explained in the following sections.

Table ASpecial Tax Requirement

Expenses:	
Debt Service:	
Interest payment due on January 1, 2026	\$598,519
Interest payment due on July 1, 2026	\$598,519
Principal payment due on July 1, 2026	\$510,000
Sub-total debt service	\$1,707,038
Administrative expense budget for Fiscal Year 2025-2026	\$48,195
Contingency	\$35,119
Total expenses	\$1,791,072
Available Funds:	
Surplus from prior year	(\$187,071)
Total available funds	(\$187,071)
Special Tax Requirement for Fiscal Year 2025-2026	\$1,604,000

¹The aggregate special tax to be collected for Fiscal Year 2025-2026 is equal to \$1,604,004.26 due to the rounding.

Debt Service

Debt service consists of semi-annual interest payment due on the Bonds on January 1, 2026 and July 1, 2026. Each semi-annual interest payment is equal to six months of interest on the bonds shown in Table B below.

Table B Semi-Annual Interest Payments

	Outstanding	Rate	Interest
Serial Bonds due 2026 through 2034	\$7,300,000	5.000%	\$182,500
Term Bonds due 2039	\$7,465,000	5.000%	\$186,625
Term Bonds due 2044	\$10,795,000	4.250%	\$229,394
Total	\$25,560,000		\$598,519

There is a principal payment in the amount of \$510,000 due on July 1, 2026. Accordingly, total debt service to be paid from Fiscal Year 2025-2026 special taxes is equal to \$1,707,038 (\$598,519 + \$598,519 + \$510,000 = \$1,707,038).

Administrative Expenses

Administrative expenses include the expenses of the Trustee, the County, and the Administrator. The annual charges of the Trustee are estimated to be \$3315. The expenses of the County are estimated to be \$10,000. In addition, the County anticipates legal expenses of \$5,000 for Fiscal Year 2025-2026. According to Exhibit B of the Agreement for Administrative Services between MuniCap and Anne Arundel County, administrative services shall be provided on a time and material basis pursuant to the Administrator's hourly fee schedule. For Fiscal Year 2025-2026, the Administrator has estimated this amount to be \$30,600. Accordingly, total administrative expenses are estimated to be \$48,915 (\$3,315 + \$10,000 + \$5,000 + \$30,600 = \$48,915) for Fiscal Year 2025-2026.

There are no remarketing, credit enhancement, bond insurance or liquidity facility fees associated with the Bonds for Fiscal Year 2025-2026.

Contingency

A contingency, equal to 2.00% of annual debt service and administrative expenses, has been added to the budget in the event of special tax delinquencies or unanticipated expenses.

Reserve Fund Investment Income

As of February 28, 2025, the balance in the Reserve Fund was equal to \$2,554,125 which equaled the Reserve Requirement and included \$1,277,063 as the cash contribution from proceeds of the 2025 Bonds and a Debt Service Reserve Insurance Policy (223946-R) issued by Assured Guaranty (the "DSR Policy") with a value of \$1,277,063. As a portion of the Reserve Requirement is met through the DSR Policy, only the cash value of \$1,277,063 is considered as available funds. The available funds on deposit in the Reserve Fund are invested in a JPMorgan 100% US Treasury Securities money market, which was earning a variable rate of return of approximately 4.09% per annum as of February 28, 2025. At this rate of return it is assumed that \$52,232 could be earned on the available funds in the Reserve Fund through February 28, 2026. However, to be conservative, approximately one-half or 6 months of the assumed investment income earned on the cash balance of the Reserve Fund has been estimated for purposes of surplus. To the extent additional investment income is deposited to the Reserve Fund, it will be applied to the payment of Fiscal Year 2025-2026 expenses in accordance with the Indenture.

Surplus from the Prior Year

The estimated surplus from the prior year that may be applied to pay debt service and administrative expenses for Fiscal Year 2025-2026 is shown on the following page in Table C. The surplus available following the payment of all remaining Fiscal Year 2024-2025 expenses is equal to \$187,071.

As shown in Table C on the following page, remaining expenses for Fiscal Year 2024-2025 include the debt service due on July 1, 2025 and the remaining administrative expenses for the year. The debt service payment due on July 1, 2025 consists of a semi-annual interest payment in the amount of \$497,835 and a principal payment in the amount of \$610,000. As a result, total

debt service due on the Bonds on July 1, 2025 is equal to 1,107,835 (497,835 + 610,000 = 1,107,835).

Following payment of required issuance expenses for the 2025 Bonds, residual funds remain on deposit in the Cost of Issuance Fund. As of February 28, 2025, the balance available was equal to \$32,766, which has been included in surplus from Fiscal Year 2024-2025.

As of February 28, 2025, the balance in the Administrative Expense Fund was equal to \$885. Administrative expenses for Fiscal Year 2043-2025 were estimated to be equal to \$48,250. As of February 28, 2025, administrative expenses totaling \$29,706 have been paid from the trust estate. As a result, it is estimated that administrative expenses in the amount of \$18,544 (\$48,250 - \$29,706 = \$18,544) remain for Fiscal Year 2024-2025.

Remaining Expenses:	
Debt service:	
Interest payment due on July 1, 2025	\$497,835
Principal payment due on July 1, 2025	\$610,000
Subtotal debt service	\$1,107,835
Estimated remaining administrative expenses for Fiscal Year 2024-2025	\$18,544
Total remaining expenses	\$1,126,378
Available Funds:	
Fiscal Year 2024-2025 special taxes to be remitted to the Trustee	(\$675,098)
Available balance of the Debt Service Fund as of February 28, 2025	(\$578,586)
Estimated earnings of the Reserve Fund as of February 28, 2025	(\$26,116)
Residual balance of the Cost of Issuance Fund as of February 28, 2025	(\$32,766)
Available balance of the Administrative Expense Fund as of February 28, 2025	(\$885)
Total available funds	(\$1,313,450)
Surplus from prior year	(\$187,071)

<u>Table C</u> Surplus from Prior Year

Special taxes in the amount of \$2,111,423 were billed for Fiscal Year 2024-2025, which included the calculated special tax amount of \$1,975,000 due for the fiscal year and the additional \$136,423 of special tax that was intended to be levied in the prior fiscal year. According to Anne Arundel County, as of March 25, 2025, special taxes in the amount of \$2,101,889 have been collected and available for remittance, representing approximately 99.55% of the special taxes due. Special taxes in the amount of \$1,426,791 have been transferred to the trust estate through February 28, 2025. The remaining collected special taxes of \$675,08 will be remitted to the trust estate prior to the July 1, 2025 debt service payment. For purposes of calculating the surplus from the prior year, the yet to be remitted special taxes of \$9,535 is excluded.

As of February 28, 2025, the balance in the Debt Service Fund was equal to \$578,586.

As shown in Table C, funds available to pay remaining Fiscal Year 2024-2025 expenses exceed the remaining expenses by \$187,101. Accordingly, there is an estimated surplus from the prior year of \$187,101 that may be applied to reduce the Special Tax Requirement for Fiscal Year 2025-2026.

Summary of the Special Tax Requirement

As shown in Table A, District expenses for Fiscal Year 2025-2026 are estimated to be equal to \$1,791,072. Funds available to pay these expenses are equal to \$187,101. Accordingly, the Special Tax Requirement is equal to \$1,604,000 for Fiscal Year 2025-2026.

METHOD OF LEVYING THE SPECIAL TAX

Classification of Property

Special taxes are to be levied each year based on the classification of property in the District. The Rate and Method specifies the following classifications for property in the District:

- I. Public Property
- II. Owner Association Property
- III. Taxable Property:
 - A. Developed Property:
 - 1. Single-family detached
 - 2. Single-family attached
 - B. Undeveloped Property

Public property and owner association property (*i.e.*, property owned by an association) are not subject to special taxes. Undeveloped and Developed Property are subject to special taxes, as described in the balance of this report. Pursuant to the Rate and Method, Developed Property means parcels of taxable property for which a building permit has been issued that allows the construction of a structure intended for occupancy. Undeveloped property is defined as any parcel of taxable property that is not classified as Developed Property.

Pursuant to Section C(3) of the Rate and Method, commencing with Fiscal Year 2011-2012 and for each following fiscal year through the Termination Date, the special tax shall be collected as follows:

First: Prior to the Completion of Construction, the special tax shall be collected from each parcel of Developed Property at the assigned special tax for such property. Subsequent to the Completion of Construction, the special tax shall be collected proportionately from each parcel of Developed Property up to the assigned special tax for such property to the extent necessary to fund the Special Tax Requirement.

Second: If additional monies are needed to fund the Special Tax Requirement after the first step has been completed, the special tax shall be collected proportionately from each parcel of Undeveloped Property up to 100% of the maximum special tax for such property, to the extent necessary to fund the Special Tax Requirement.

Third: If additional monies are needed to fund the Special Tax Requirement after the second step has been completed, the special tax shall be collected proportionately from each parcel of Developed Property up to 100% of the maximum special tax for such property, to the extent necessary to fund the Special Tax Requirement.

As confirmed with the Couty and prior to the issuance of the 2025 Bonds, the Completion of Construction, which is defined as the latter of (i) completion of all the Public Improvements as evidenced by a certificate of completion and (ii) the end of the capitalized interest period on the Bonds, was determined to have been met as all Public Improvements, as outlined in the Official Statement, had been completed. No proceeds of the 2025 Bonds were designated for any additional Public Improvements and therefore, the calculation of the special tax for Fiscal Year 2025-2026 was based on Completion of Construction pursuant to the RMA, as such the special tax is to be collected proportionately from Developed Property to the extent necessary to fund the Special Tax Requirement.

Pursuant to Section A of the Rate and Method, property is classified each year on a date determined by the County. For Fiscal Year 2025-2026, that date is April 2, 2025.

Developed Property

As of the Date of Classification for Fiscal Year 2025-2026, building permits have been issued for 1,957 parcels within the District. Of these 1,957 parcels, 328 are classified as single-family attached units and 1,629 are classified as single-family detached units. As a result, for purposes of levying and collecting special taxes for Fiscal Year 2025-2026, 1,957 parcels will be classified as Developed Property.

Pursuant to Section G of the Rate and Method, the maximum special tax rates may be reduced by the County Controller once all of the bonds are issued to reflect the actual debt service on the bonds such that the maximum special taxes that may be collected from all parcels of Developed Property at the expected build out of the District is equal to the minimum debt service coverage requirement provided for in the Indenture. Pursuant to an Order of the County Controller dated September 2, 2014 (the "Order"), the maximum special tax rates have been reduced on single-family attached and single-family detached units from \$1,144 and \$1,536 to \$684 and \$963, respectively, for Fiscal Year 2014-2015.

The maximum special tax rates are equal to 110% of the assigned special tax rates. Accordingly, the assigned special tax rates have been reduced on single-family attached and single-family detached units from \$1,040 and \$1,396 to \$621 and \$875, respectively, for Fiscal Year 2014-2015. Pursuant to the Rate and Method, the assigned special tax rates increase by 2% each year. Table D on the following page shows the assigned special tax rates for each parcel of Developed Property for Fiscal Year 2025-2026, which are equal to 102% of the assigned special tax rates for Fiscal Year 2024-2025.

Table D Assigned Special Tax Rates

Property Classification	Assigned Special Tax Rates
Single-family attached units	\$772.13 per unit
Single-family detached units	\$1,087.94 per unit

Maximum Special Tax Rates

According to the Rate and Method, the maximum special tax for any fiscal year for each parcel classified as Undeveloped Property shall be determined by the formula shown on the following page:

$$\mathbf{A} = (\mathbf{B} - \mathbf{C}) \times (\mathbf{D} \div \mathbf{E})$$

Where the terms have the following meanings:

- A = the maximum special tax for a parcel of Undeveloped Property;
- B = the District Maximum Special Tax;
- C = the maximum special taxes on all parcels of Developed Property;
- D = the net land area of the parcel for which the special tax is being calculated; and
- E = the net land area of all of the parcels of Undeveloped Property.

The District Maximum Special Tax for Fiscal Year 2025-2026 is equal to \$2,226,229.37, which represents 102% of the District Maximum Special Tax for Fiscal Year 2024-2025 of \$2,182,577.82

Undeveloped Property Special Taxes

Special taxes are to be levied proportionately on Undeveloped Property up to the maximum special tax for such property, to the extent necessary to fund the Special Tax Requirement not paid by Developed Property. As mentioned above, the District Maximum Special Tax for Fiscal Year 2025-2026 is equal to \$2,226,229.37. The aggregate maximum special taxes on Developed Property are equal to \$2,226,229.37. The aggregate assigned special taxes on Developed Property are equal to \$2,137,570.72. Both of these factors exceed the Special Tax Requirement of \$1,604,000. As a result, the aggregate maximum special taxes on Undeveloped Property are equal to \$0 for Fiscal Year 2025-2026.

Based on the requirement of the Completion of Construction having been satisfied, the levy of the special tax at an assigned rate is to first be billed to Developed Property proportionately. The Special Tax Requirement for Fiscal Year 2025-2026 is \$1,604,000. The aggregate assigned special taxes to be billed and collected from Developed Property are equal to \$1,604,000 which is based on a proportionate rate of approximately 79.1898% of the Assigned Special Tax Rate for

attached and detached properties. Accordingly, the total amount to be collected from Undeveloped Property is equal to \$0

The net land area of Undeveloped Property is 660,727 square feet (or 15.16 acres). However, no special tax is required to be levied on Undeveloped Property in Fiscal Year 2025-2026.

Special Tax Roll

As shown in Appendix B, there are a total of 2,216 parcels in the District, of which 154 are either tax exempt, rights–of–ways, flood plains or open spaces. As a result, there are 2,062 parcels of taxable property, comprised of 1,957 parcels of Developed Property and 105 parcels of Undeveloped Property. These parcels are shown by unit type and property class, Developed Property or Undeveloped Property, for Fiscal Year 2025-2026 in the Special Tax Roll, attached hereto as Appendix B. As outlined herein, only the taxable property classified as Developed has been assigned the necessary special tax for Fiscal Year 2025-2026.

SUMMARY

The Special Tax Requirement is equal to \$1,604,000 for Fiscal Year 2025-2026. This amount will be billed to the Developed parcels of taxable property in the District, proportionately, as outlined in the previous section. As shown in Appendix B, the total amount to be collected is equal to \$1,604,004.26 due to rounding.

The special tax rates for each property classification in the District for Fiscal Year 2025-2026 are shown in Appendix A. As explained in the preceding section, parcels of Developed Property shall be billed at the assigned special tax rates proportionately at 79.1898% for Fiscal Year 2025-2026. Parcels of Undeveloped Property shall not be billed. Appendix B lists the parcels of taxable property in the District as of the Date of Classification, the classification of each parcel, the square footage of each parcel of Undeveloped Property and special tax to be billed and collected from each parcel for Fiscal Year 2025-2026. The special tax billed to each parcel is based on the special tax rates shown in Appendix A and the classification of each parcel based on its status as of the Date of Classification.
