Webinar ID: 819 4811 9108

Passcode: 71891282

A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Tuesday, July 22 via Zoom to discuss plans to replace the water main for the Briar Cliff on the Severn community, which will improve the reliability of the system.

Construction is expected to start in December 2025 and last 10 months, weather permitting. Work will occur between 7:00 a.m. and 5:00 p.m. Monday through Friday, with construction activities coordinated to minimize impacts on school bus schedules. The work could cause temporary lane closures and detours, and some residents could have limited access to their driveways. This will be coordinated with residents as the work progresses.

There could be brief interruptions to water service as residents are connected to the new main but we will coordinate with them when the transfer takes place.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aaacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.

Las personas que necesitan servicios de interpretación de idiomas deben ponerse en contacto con el servicio de atención al cliente del DPW al 410-222-7582, o por correo electrónico a pwcust00@aaacounty.org, al menos con siete días de antelación al evento. Todo el material escrito estará disponible en el idioma deseado si se solicita.
