A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Wednesday, June 25, 2025 via Zoom to discuss plans to build a 5-foot-wide sidewalk and ADA-compliant ramps along the north side of MD 174 (Reece Road), from Van Bokkelen Elementary School to Meade Village Road. This will improve pedestrian safety for children walking to school and the project is slated to be finished before the start of the next academic year.

Construction is expected to begin in July. Construction hours will be 8 a.m. to 4:30 p.m. Monday through Friday. The work could involve some tree removal and landscaping.

The project may cause minor utility service impacts for residents within the project limits and along MD 174. The contractor will work with the impacted residents to minimize utility service interruptions. No lane closures are needed during construction.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.
