

FINAL DEVELOPMENT PLAN SUBMITTAL REQUIREMENTS

ANNE ARUNDEL COUNTY
OFFICE OF PLANNING AND ZONING - DEVELOPMENT DIVISION

Application Name: _____

Record Type: Final Plan, Minor Plan, or Site Development Plan

Project #: FD-_____ Date: _____

Instructions:

The Final Development Plan shall be prepared and sealed/certified by an engineer, architect, landscape architect or land surveyor registered to practice in the State of Maryland.

The Stormwater Management Plans must be signed and sealed by an engineer, landscape architect or land surveyor registered to practice in the State of Maryland. (Note that certain plans such as Water and Sewer Plans, Stormwater Management Ponds, Structural Designs, etc., require the seal and signature of a Professional Engineer.)

The submission date will not be established until the date that all necessary information has been uploaded. Upon receipt by the review agencies, any necessary plans or attachments deemed incomplete will not be reviewed and may result in denial of the application.

Not all items contained below will necessarily be required for every project. If any items below are not provided, please provide justification/reasoning in the Letter of Explanation.

Note, the Development Application must be completed through Accela Land Use Navigator, available at <https://aca-prod.accela.com/AACO/Default.aspx>.

All submittals shall include the following, as applicable:

1. Written authorization from the property owner allowing the contract purchaser/lessee to act on the owner's behalf
2. Submittal Review Fee:
 - a. Residential - \$120 per unit
 - b. Commercial / Industrial - \$420 per acre; for sites less than 1 acre or for sites over an acre the fee will be based on the entire site acreage rounded up to the next full acre.
 - c. Signs - \$35 for each sign abutting County and State roads and navigable waterways (ONLY FOR MINORS OR IF A MODIFICATION TO SKETCH PLAN IS GRANTED)
