SEARCHING FOR LICENSES IN LUN ACA

Open the Land Use Navigator (LUN) customer portal. You do not need to sign in or even have an account to conduct a search.

To search for a license, select the Licensing tab. A search can be conducted using various information. The less information entered will produce better results.

Some options you can search by: Record Number Record Type (license type IE: Multiple Dwelling) Name Address – either just address number, street name or a combination of both

Below is a screenshot of the Licensing search page with the Record Type drop down visible.
