A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on August 19 via Zoom to discuss plans to construct a school bus and transit bus Operations Facility. It would be used to maintain and store buses owned and operated by the County.

The facility would be built on vacant property at 200 Dorsey Road, Glen Burnie. The project also includes bus parking areas, two temporary office trailers, a temporary garage, a bus wash area, sidewalks, additional parking for guests and employees, stormwater management and utilities.

Construction could start in January and last about a year. If a lane closure is needed, it would not impact drop-off or pick up times at Monsignor Slade Catholic School. The work could also partially and temporarily close the front parking area at the Pascal Senior Center. DPW will coordinate its activities with the school and the center.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.

Las personas que necesiten servicios de interpretación de idiomas deben ponerse en contacto con el servicio de atención al cliente del DPW al 410-222-7582, o por correo electrónico a pwcust00@aacounty.org, al menos con siete días de antelación al evento. Todo el material escrito estará disponible en el idioma deseado si se solicita.
