A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Tuesday, August 26, 2025 via Zoom to discuss the construction of a living shoreline at Downs Park to reduce erosion along the banks, upgrade the existing revetment, and relocate the dog beach -- which will be ADA (American with Disabilities Act) accessible. The paved trail will also be resurfaced to make slopes ADA-compliant.

There will be three phases of construction, and portions of the park and trail will be closed during each phase. Work hours will be 7:00 a.m. to 7:00 p.m. Monday through Friday.

In the next month, the contractor will install fencing around the work area for Phase 1, as well as fencing for sediment and erosion control, then begin construction. The project is slated to be completed in March 2026.
